25 March 2019

Recommended cash offer

by

Triton Bidco

a newly incorporated entity owned by a consortium of (i) funds advised by Apax; (ii) funds advised by Warburg Pincus or its affiliates; (iii) CPPIB; and (iv) OTPP

for

Inmarsat

to be implemented by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

Summary

- Further to the announcement on 19 March 2019 regarding the proposal received by the board of Inmarsat, the boards of Inmarsat and Triton Bidco, are pleased to announce that they have reached agreement on the terms of a recommended cash offer by Triton Bidco to acquire the entire issued and to be issued share capital of Inmarsat (the "**Acquisition**").
- Triton Bidco is a newly formed joint venture company owned in equal shares by (i) funds advised by Apax (the "**Apax Funds**"); (ii) funds advised by Warburg Pincus or its affiliates (the "**Warburg Pincus Funds**"); (iii) Canada Pension Plan Investment Board ("**CPPIB**"); and (iv) Ontario Teachers' Pension Plan Board ("**OTPP**", and together with the Apax Funds and the Warburg Pincus Funds and CPPIB, the "**Consortium**").
- Under the terms of the Acquisition, Inmarsat Shareholders who are entitled to receive the Final Dividend (as defined below) will receive:

\$7.21 in cash per Inmarsat Share (the "Cash Value"),

comprising a cash consideration of \$7.09 (the "**Cash Consideration**") for each Inmarsat Share plus the previously announced final dividend of \$0.12 per Inmarsat Share to be paid on 30 May 2019 to Inmarsat Shareholders on the register as at the close of business on 23 April 2019 (the "**Final Dividend**"). Inmarsat Shareholders who are not entitled to receive the Final Dividend shall receive the Cash Consideration under the Acquisition in respect of their Inmarsat Shares.

- The Cash Value values the entire issued and to be issued ordinary share capital of Inmarsat at approximately \$3.4 billion, which is equivalent to £2.6 billion based on the Announcement Exchange Rate.
- The Sterling equivalent value of the Cash Value, being 546 pence per Inmarsat Share based on the Announcement Exchange Rate, represents an illustrative premium of:
 - 46 per cent. to the Closing Price of 375 pence per Inmarsat Share on 30 January 2019 (being the Business Day prior to the Consortium submitting its non-binding proposal to Inmarsat);
 - 45 per cent. to the Closing Price of 377 pence per Inmarsat Share on 27 February 2019 (being the Business Day prior to press speculation on 28 February 2019 relating to a potential offer for Inmarsat);

- 27 per cent. to the Closing Price of 431 pence per Inmarsat Share on 18 March 2019 (being the Business Day before the commencement of the Offer Period); and
- 35 per cent. to the volume-weighted average price of 404 pence per Inmarsat Share for the 3-month period ended 18 March 2019 (being the Business Day before the commencement of the Offer Period).
- The Cash Consideration payable under the Acquisition is expressed in US\$. The US\$ denominated Cash Consideration more closely reflects the underlying characteristics of Inmarsat's business activities, which are largely denominated in US\$.
- Triton Bidco will procure that a facility will be made available under which Inmarsat Shareholders will be able to elect (subject to the terms and conditions of the facility) to receive the Cash Consideration in Sterling (after deduction of any transaction or dealing costs associated with the conversion) at the applicable market exchange rate on the latest practicable date for fixing such rate prior to the relevant payment date. Further details of this facility and the election by Inmarsat Shareholders wishing to receive their Cash Consideration in Sterling will be set out in the Scheme Document and the Form of Election. On the basis of the Announcement Exchange Rate, the Cash Consideration implies an equivalent value of 537 pence per Inmarsat Share. For any Inmarsat Shareholder electing to be paid their Cash Consideration in Sterling, the amount per Inmarsat Share received may, depending on the prevailing exchange rate, result in a payment below or above 537 pence per Inmarsat Share.
- If Inmarsat announces, authorises, declares, makes or pays any dividend and/or other distribution and/or other return of capital to Inmarsat Shareholders on or after the date of this Announcement (other than the Final Dividend), Triton Bidco reserves the right to reduce the Cash Consideration by an amount equal to the aggregate amount of such dividend and/or other distribution and/or other return of capital as further described in paragraph 15 of this Announcement.

Background to and reasons for the Acquisition

- Triton Bidco believes that the satellite sector is attractive, with unique characteristics, including long lead times and the need for deep technical expertise, while operators in the sector require strategic management and a long investment horizon. Triton Bidco believes that integrated satellite operators with scale like Inmarsat are well positioned as network provision becomes more complex.
- While Inmarsat's end markets, notably maritime and government, are competitive, Triton Bidco believes Inmarsat is well positioned for growth based on its unique global infrastructure, leading technological and capacity roadmap and strong spectrum holdings. In particular, Triton Bidco believes that Inmarsat's business model is characterised by predictable revenues from a range of long-term contracts with governments and other financially secure customers. Triton Bidco also sees considerable potential for Inmarsat's in-flight connectivity business in commercial aviation and in seeking to maximise global IoT opportunities. Triton Bidco recognises Inmarsat is going through a multi-year investment cycle to capitalise on its growth opportunities, with utilisation and returns difficult to predict.
- However, Triton Bidco intends to leverage the experience of its shareholders as investors in the satellite sector and broader telecommunications space to assist Inmarsat during this critical phase in its business development. This will allow Inmarsat to focus on the effective management of its business and delivering on its potential during its current investment phase.
- Triton Bidco also intends to:
 - ensure that Inmarsat will comply in full with the obligations under the Public Services Agreement with IMSO in respect of the provision of the Global Maritime Distress and Safety System;
 - maintain Inmarsat's headquarters in the UK; and
 - maintain a level of expenditure on R&D consistent with Inmarsat's past practice, in recognition of the importance of R&D to Inmarsat's ability to continue to develop reliable and high quality services for its customers and end users.

Recommendation

- The Inmarsat Directors, who have been so advised by J.P. Morgan Cazenove, PJT Partners and Credit Suisse as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their financial advice to the Inmarsat Directors, J.P. Morgan Cazenove, PJT Partners and Credit Suisse have taken into account the commercial assessments of the Inmarsat Directors. PJT Partners is providing independent financial advice to the Inmarsat Directors for the purposes of Rule 3 of the Code.
- Accordingly, the Inmarsat Directors intend to unanimously recommend that Scheme Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the Inmarsat General Meeting as the Inmarsat Directors who hold Inmarsat Shares have

irrevocably undertaken to do in respect of their own beneficial shareholdings in Inmarsat, and have undertaken to procure in respect of the beneficial holdings of their spouses, which amount in aggregate to 2,528,071 Inmarsat Shares, representing approximately 0.5 per cent. of Inmarsat's issued share capital at close of business on 22 March 2019 (being the Business Day prior to the date of this Announcement).

Shareholder Support

- Triton Bidco has received an irrevocable undertaking in respect of 52,885,881 Inmarsat Shares to vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the Inmarsat General Meeting from Lansdowne Partners representing, in aggregate, approximately 11.4 per cent. of Inmarsat's issued share capital at close of business on 22 March 2019 (being the Business Day prior to the date of this Announcement).

Such purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. If such purchases or arrangements to purchase were to be made they would be made outside the United States and would comply with applicable law, including the US Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service of the UK Listing Authority and will be available on the LSE website at www.londonstockexchange.com.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

In accordance with the Code, normal United Kingdom market practice and Rule 14e-5(b) of the Exchange Act, each of UBS, Merrill Lynch and Barclays and their respective affiliates will continue to act as exempt principal trader in Inmarsat securities on the LSE. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Code will be reported to a Regulatory Information Service and will be available on the LSE website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

FOR IMMEDIATE RELEASE

25 March 2019

Recommended cash offer

by

Triton Bidco

a newly incorporated entity owned by a consortium of (i) funds advised by Apax; (ii) funds advised by Warburg Pincus or its affiliates; (iii) CPPIB; and (iv) OTPP

for

Inmarsat

**to be implemented by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

Further to the announcement on 19 March 2019 regarding the proposal received by the board of Inmarsat, the boards of Inmarsat and Triton Bidco, are pleased to announce that they have reached agreement on the terms of a recommended cash offer by Triton Bidco to acquire the entire issued and to be issued share capital of Inmarsat (the "**Acquisition**").

Triton Bidco is a newly formed joint venture company owned in equal shares by (i) funds advised by Apax (the "**Apax Funds**"); (ii) funds advised by Warburg Pincus or its affiliates (the "**Warburg Pincus Funds**"); (iii) Canada Pension Plan Investment Board ("**CPPIB**"); and (iv) Ontario Teachers' Pension Plan Board ("**OTPP**"), and together with the Apax Funds, the Warburg Pincus Funds and CPPIB, the "**Consortium**").

It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. Triton Bidco reserves the right to elect, with the consent of the Panel (and subject to the terms of the Co-operation Agreement), to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of Inmarsat.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement, and subject to the terms and Conditions which will be set out in the Scheme Document, Inmarsat Shareholders who are entitled to receive the Final Dividend (as defined below) will be entitled to receive:

\$7.21 in cash per Inmarsat Share (the "Cash Value"),

comprising a cash consideration of \$7.09 (the "**Cash Consideration**") for each Inmarsat Share plus the previously announced final dividend of \$0.12 per Inmarsat Share to be paid on 30 May 2019 to Inmarsat Shareholders on the register as at the close of business on 23 April 2019 (the "**Final Dividend**"). Inmarsat Shareholders who are not entitled to receive the Final Dividend shall receive the Cash Consideration under the Acquisition in respect of their Inmarsat Shares.

The Cash Value values the entire issued and to be issued ordinary share capital of Inmarsat at approximately \$3.4 billion, which is equivalent to £2.6 billion based on the Announcement Exchange Rate.

The Sterling equivalent value of the Cash Value, being of 546 pence per Inmarsat Share based on the Announcement Exchange Rate, represents an illustrative premium of:

- 46 per cent. to the Closing Price of 375 pence per Inmarsat Share on 30 January 2019 (being the Business Day prior to the Consortium submitting its non-binding proposal to Inmarsat);
- 45 per cent. to the Closing Price of 377 pence per Inmarsat Share on 27 February 2019 (being the Business Day prior to press speculation on 28 February relating to a potential offer for Inmarsat);
- 27 per cent. to the Closing Price of 431 pence per Inmarsat Share on 18 March 2019 (being the Business Day before the commencement of the Offer Period); and
- 35 per cent. to the volume-weighted average price of 404 pence per Inmarsat Share for the three-month period ended 18 March 2019 (being the Business Day before the commencement of the Offer Period).

Triton Bidco will procure that a facility will be made available under which Inmarsat Shareholders will be able to elect (subject to the terms and conditions of the facility) to receive the Cash Consideration in Sterling (after deduction of any transaction or dealing costs associated with the conversion) at the applicable market exchange rate on the latest practicable date for fixing such rate prior to the relevant payment date. Further details of this facility and the election by Inmarsat Shareholders wishing to receive their Cash Consideration in Sterling will be set out in the Scheme Document and the Form of Election. On the basis of the Announcement Exchange Rate, the Cash Consideration implies an equivalent value of 537 pence per Inmarsat Share. For any Inmarsat Shareholder electing to be paid their Cash Consideration in Sterling, the amount per Inmarsat Share received may, depending on the prevailing exchange rate, result in a payment below or above 537 pence per Inmarsat Share.

In accordance with the terms of the Inmarsat Scrip Dividend Scheme, a committee of the Inmarsat Board has resolved that the Inmarsat Scrip Dividend shall be suspended indefinitely and with effect from the date of this Announcement, including in relation to the Final Dividend. Formal written notice of the suspension, as required by the Inmarsat Scrip Dividend Scheme, will be sent to Inmarsat Shareholders in due course. Accordingly, any Inmarsat Shareholders who had elected to participate in the Inmarsat Scrip Dividend Scheme shall receive cash rather than Inmarsat Shares in respect of the Final Dividend and any other dividends.

If Inmarsat announces, authorises, declares, makes or pays any dividend and/or other distribution and/or other return of capital to Inmarsat Shareholders on or after the date of this Announcement (other than the Final Dividend), Triton Bidco reserves the right to reduce the Cash Consideration by an amount equal to the aggregate amount of such dividend and/or other distribution and/or other return of capital as further described in paragraph 15 below.

It is intended that the Acquisition will be implemented by means of a court-sanctioned scheme of arrangement of Inmarsat under Part 26 of the Companies Act, further details of which are contained in paragraph 13 below. The Scheme Document will be posted to Inmarsat Shareholders as soon as reasonably practicable and in any event within 28 days of this Announcement (unless the Panel consents to a later date). The Court Meeting and General Meeting are expected to be held prior to 31 May 2019.

3. Background to and reasons for the Acquisition

Triton Bidco believes that the satellite sector is attractive, with unique characteristics, including long lead times and the need for deep technical expertise, while operators in the sector require strategic management and a long investment horizon. Triton Bidco believes that integrated satellite operators with scale like Inmarsat are well positioned as network provision becomes more complex.

While Inmarsat's end markets, notably maritime and government, are competitive, Triton Bidco believes Inmarsat is well positioned for growth based on its unique global infrastructure, leading technological and capacity roadmap and strong spectrum holdings. In particular, Triton Bidco believes that Inmarsat's business model is characterised by predictable revenues from a range of long-term contracts with governments and other financially secure customers. Triton Bidco also sees considerable potential for Inmarsat's in-flight connectivity business in commercial aviation and in seeking to maximise global IoT opportunities.

However, Triton Bidco recognises Inmarsat is going through a multi-year investment cycle to capitalise on its growth opportunities, with utilisation and returns difficult to predict. However, Triton Bidco intends to leverage the experience of its shareholders as investors in the satellite sector and broader telecommunications space to assist Inmarsat during this critical phase in its business development. This will allow Inmarsat to focus on the effective management of its business and delivering on its potential during its current investment phase.

4. Recommendation

The Inmarsat Directors, who have been so advised by J.P. Morgan Cazenove, PJT Partners and Credit Suisse as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their financial advice to the Inmarsat Directors, J.P. Morgan Cazenove, PJT Partners and Credit Suisse have taken into account the commercial assessments of the Inmarsat Directors. PJT Partners is providing independent financial advice to the Inmarsat Directors for the purposes of Rule 3 of the Code.

Accordingly, the Inmarsat Directors intend to unanimously recommend that Inmarsat Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the Inmarsat General Meeting as the Inmarsat Directors who hold Inmarsat Shares have irrevocably undertaken to do in respect of their own beneficial shareholdings in Inmarsat, and have undertaken to procure in respect of the beneficial holdings of their spouses, which amount in aggregate to 2,528,071 Inmarsat Shares, representing approximately 0.5 per cent. of Inmarsat's issued share capital at close of business on 22 March 2019 (being the Business Day prior to the date of this Announcement). Further details of the irrevocable undertakings are set out in Appendix 3 to this Announcement.

5. Background to and reasons for the Inmarsat Recommendation

Inmarsat is a world leading provider of global mobile satellite communications with a first class reputation for connectivity services and value-added solutions. The Inmarsat Board is confident in the long-term prospects of the business. In particular, the Inmarsat Board believes that Inmarsat's existing strategy, including its seeking a strong position in the growing market for commercial airline cabin connectivity, should continue to generate attractive returns on investment for Inmarsat Shareholders. However, the investments are expected to generate these returns over a lengthy period and to involve negative cash flows in their early years, including expenditures on next generation satellite networks and increases in operating expenses. Furthermore, while Inmarsat has a number of potential growth opportunities, it is also the case that it has a number of challenges (such as the impact of additional capacity and new technologies) which are driving disruption in some of Inmarsat's end markets, as has been seen recently in the Maritime segment. The Inmarsat Board believes that these features of Inmarsat's investment case have, in particular, led to an undisturbed share price that did not fully reflect the long-term value of Inmarsat.

The Inmarsat Board believes that implementation of Inmarsat's existing strategy would continue to generate significant value for Inmarsat Shareholders as an independent company, however there are risks involved in implementation of what is a long-term, capital intensive strategy. The offer from the Consortium would allow Inmarsat Shareholders the opportunity to realise, in cash in the near-term, the value of their holdings in Inmarsat at a material premium to the undisturbed share price.

The Inmarsat Board has taken into account, inter alia, the following:

- the factors summarised above, including the significant ongoing capital expenditure requirements and the timing uncertainties inherent in parts of Inmarsat's strategy;
- the performance of Inmarsat's share price relative to Inmarsat's underlying financial performance and long-term prospects; and
- the Sterling equivalent value of the Cash Value, being 546 pence per Inmarsat Share based on the Announcement Exchange Rate, represents:
 - an illustrative premium of 27 per cent. to the Closing Price of 431 pence per Inmarsat Share on 18 March 2019 (being the Business Day before the commencement of the Offer Period);
 - an illustrative premium of 35 per cent. to the volume-weighted average price of 404 pence per Inmarsat Share for the three-month period ended 18 March 2019 (being the Business Day before the commencement of the Offer Period); and
 - a value of £2.6 billion for the entire issued and to be issued ordinary share capital of Inmarsat.

Accordingly, following careful consideration of the above factors, the Inmarsat Board believes that Inmarsat Shareholders should have the opportunity to approve the Acquisition and intends unanimously to recommend the Consortium's offer to Inmarsat Shareholders.

6. Irrevocable undertakings to vote in favour of the Acquisition

Inmarsat Directors

Triton Bidco has received irrevocable undertakings from the Inmarsat Directors who hold Inmarsat Shares to vote, and in the case of their spouses, to procure that such persons vote, in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the Inmarsat General Meeting in respect of all of the Inmarsat Shares of which they, or their spouses, are sole beneficial holders or in which they are solely interested totalling 2,528,071 Inmarsat Shares, representing, in aggregate, approximately 0.5 per cent. of Inmarsat's issued share capital at close of business on 22 March 2019 (being the Business Day prior to the date of this Announcement).

These irrevocable undertakings remain binding if a competing offer for Inmarsat is made but will cease to be binding on the date on which the Acquisition is withdrawn or lapses in accordance with its terms.

Inmarsat Shareholders

Triton Bidco has also received an irrevocable undertaking from Lansdowne Partners to vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the Inmarsat General Meeting in respect of their entire beneficial holdings and those of their subsidiaries of 52,885,881 Inmarsat Shares, representing, in aggregate, approximately 11.4 per cent. of Inmarsat's issued share capital at close of business on 22 March 2019 (being the Business Day prior to the date of this Announcement).

Further details of these irrevocable undertakings, including the circumstances in which they may lapse, are set out in Appendix 3 to this Announcement.

7. Directors, management, employees, research and development and locations

Triton Bidco has worked closely with Inmarsat management to understand the key areas of their strategy and plans for the business. Following completion of the Acquisition, Triton Bidco intends to support Inmarsat and its employees in executing management's existing strategy, including supporting the development and growth of Inmarsat's Maritime, Aviation, Enterprise and Government businesses.

Following completion of the Acquisition, Triton Bidco intends to work with Inmarsat management to complete a full evaluation of the Inmarsat Group and its strategy, technology, operations and organisational structure, which will consider both the short- and long-term objectives of the business. The evaluation will focus on all aspects of the Inmarsat business and the opportunities available to it, including:

- reviewing the existing strategy of each of Inmarsat's four divisions, their markets, customers and product offerings;
- identifying existing and new growth and development opportunities to drive additional profitable growth;
- continuing the transformation and simplification of the Inmarsat business that Inmarsat management have been pursuing over the past few years, and considering any potential additional actions to further this project, including a review of third party professional fees and procurement optimisation;
- reinforcing and further developing the strong technical knowledge of the organisation that underpins Inmarsat's leadership role in the satellite mobility markets; and
- assessing potential acquisitions that support Inmarsat's overall strategy.

Triton Bidco recognises the importance and value of the skills and experience of the existing management and employees of Inmarsat and believes that they will be a key factor in maximising the success of Inmarsat following the Scheme becoming Effective.

Once Inmarsat ceases to be a listed company, a limited number of PLC-related functions, may be reduced in scope or become unnecessary. Triton Bidco has not yet developed proposals as to how any such headcount reductions will be implemented but intends to work with Inmarsat's management to identify the extent to which individuals involved in those functions may be reassigned to other appropriate roles within Inmarsat prior to or with effect from the Scheme becoming Effective. Triton Bidco confirms that the intention is for any individuals impacted to be treated in a manner consistent with Inmarsat's high standards, culture and practices.

The non-executive Directors of Inmarsat, are expected to resign as Inmarsat Directors upon the Scheme becoming Effective.

Save as set out above in respect of a limited number of PLC-related functions, Triton Bidco does not expect any material change in the balance of skills and functions of employees and management of Inmarsat.

Existing rights and pensions

Triton Bidco confirms that following the Scheme becoming effective, the existing contractual and statutory employment rights, including in relation to pensions, of all Inmarsat employees and management will be fully

safeguarded in accordance with applicable law. Triton Bidco does not intend to make any material changes to the conditions of employment.

Inmarsat's defined UK benefit pension scheme is well funded and as at 31 December 2017 was in surplus on an IAS19 basis. This defined benefit pension scheme is closed to new members and future accruals. Triton Bidco does not intend to make any changes to the current employer pension contribution arrangements, the accrual of benefits for existing members or the rights of admission of new members.

Management incentivisation arrangements

Triton Bidco has not entered into, and has not had any discussions on any form of incentivisation or other arrangements with members of Inmarsat's management. It is the intention to put in place appropriate arrangements for the management of Inmarsat following Completion of the Acquisition.

Research and Development

Triton Bidco understands the importance of R&D to Inmarsat's ability to continue to develop reliable and high quality services for its customers and end users and intends for Inmarsat to maintain a level of expenditure on R&D consistent with its past practice.

Triton Bidco also intends to ensure that Inmarsat will comply in full with its obligations under the Public Services Agreement with IMSO in respect of the provision of the Global Maritime Distress and Safety System.

Headquarters

Following Completion, Triton Bidco intends that Inmarsat will continue to operate as a standalone business group. Triton Bidco does not intend to make any material restructurings or changes in location of Inmarsat's headquarters and headquarter functions (save for the potential reduction of PLC-related functions described above), and intends to maintain such headquarters in the UK.

Triton Bidco has no intention to redeploy the fixed assets of Inmarsat.

Inmarsat has an in-orbit fleet of 13 owned and operated satellites in geostationary orbit and provides a comprehensive portfolio of global mobile satellite communications services for customers on the move or in remote areas for use on land, at sea and in the air.

10. Inmarsat Share Plans and Inmarsat Convertible Bonds

Participants in the Inmarsat Share Plans will be contacted regarding the effect of the Acquisition on their rights under the Inmarsat Share Plans and appropriate proposals in accordance with Rule 15 of the Code where required will be made to such participants in due course. Details of these proposals will be set out in the Scheme Document and in separate letters to be sent to the participants in the Inmarsat Share Plans.

Holders of the Inmarsat Convertible Bonds will be contacted regarding the effect of the Acquisition on their rights in respect of the Inmarsat Convertible Bonds and appropriate proposals will be made to such bondholders in due course. Details of these proposals will be set out in the Scheme Document.

The Acquisition will extend to any Inmarsat Shares which are unconditionally allotted, issued or transferred out of the Inmarsat Employees' Share Ownership Plan Trust at or before the Scheme Record Time, including those allotted, issued or transferred to satisfy the exercise of options or vesting of awards under the Inmarsat Share Plans.

The Scheme will not extend to Inmarsat Shares issued after the Scheme Record Time. However, it is proposed to amend Inmarsat's articles of association at the Inmarsat General Meeting to provide that, if the Acquisition becomes Effective, any Inmarsat Shares issued to any person other than Triton Bidco or its nominees after the Scheme Record Time (including in satisfaction of an option exercised under one of the Inmarsat Share Plans or on conversion of the Inmarsat Convertible Bonds) will be automatically transferred to Triton Bidco in consideration for the payment by Triton Bidco to such persons of an amount equal to the Cash Consideration for each Inmarsat Share so transferred.

The Co-operation Agreement contains certain agreed arrangements with respect to the treatment of outstanding awards and options over Inmarsat Shares under the Inmarsat Share Plans.

11. Financing of the Acquisition

The Cash Consideration payable to Inmarsat Shareholders pursuant to the Acquisition will be financed by a combination of equity to be invested by the Apex Funds, the Warburg Pincus Funds, CPPIB and OTTP and debt to be provided under an Interim Facilities Agreement provided by Barclays, Bank of America, N.A. and UBS, Stamford Branch as interim lenders.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

12. Offer-related arrangements

Confidentiality Agreement and Back-to-Back Confidentiality Agreements

Apax, Warburg Pincus and Inmarsat have entered into the Confidentiality Agreement pursuant to which each party has undertaken, amongst other things: (i) to keep confidential information relating to the Acquisition and to the other party confidential and not to disclose it to third parties (other than certain permitted parties) other than as required by law or regulation; and (ii) to use the confidential information for the purpose of the Acquisition. These confidentiality obligations will remain in force until the earlier of 12 months after the date of the Confidentiality Agreement (being 28 January 2020) or Completion. The agreement also contains certain provisions pursuant to which each party has agreed not to solicit employees of the other party, subject to customary carve-outs, for a period of 12 months.

Each of CPPIB and OTPP have entered into Back-to-Back Confidentiality Agreements with Apax and Warburg Pincus, dated 28 January 2019 and 30 January 2019, respectively, pursuant to which they have agreed to adhere to certain terms of the Confidentiality Agreement as if they are a party thereto.

Clean Team and Joint Defence Agreement

The Apax Funds, the Warburg Pincus Funds, CPPIB, OTPP, Inmarsat and their respective legal advisers have also entered into the Clean Team and Joint Defence Agreement (which, in the case of the legal advisers engaged by CPPIB and OTPP, was effected by such legal advisers entering into separate letters of adherence), the purpose of which is to stipulate the procedure for the sharing of each of the Apax Funds', the Warburg Pincus Funds', CPPIB's, OTPP's and Inmarsat's commercially sensitive information with each other during the due diligence exercise to ensure that the exchange of such commercially sensitive information remains compliant with antitrust laws and to ensure that such sharing does not constitute a waiver of privilege, right or immunity otherwise available.

Co-operation Agreement

Inmarsat and Triton Bidco have entered into the Co-operation Agreement, pursuant to which, among other things, (i) each of Inmarsat and Triton Bidco have agreed to co-operate for the purposes of obtaining all consents, clearances, permissions, waivers and/or approvals as may be necessary, and the making of all filings as may be necessary, from or under the law, regulations or practices applied by any applicable regulatory authority in connection with the Acquisition; (ii) Triton Bidco has agreed to provide Inmarsat with certain information for the purposes of the Scheme Document and to otherwise assist with the preparation of the Scheme Document; (iii) Triton Bidco has agreed to certain provisions if the Scheme should switch to a Takeover Offer; (iv) each of Inmarsat and Triton Bidco have agreed to co-operate in preparing and implementing appropriate proposals in relation to the Inmarsat Share Plans and the Inmarsat Convertible Bonds; and (v) Inmarsat and Triton Bidco have agreed certain arrangements in respect of annual bonuses for financial year 2019 and maintenance of severance policies.

The Co-operation Agreement will terminate in certain circumstances, including (i) at Triton Bidco's election if the Inmarsat Board withdraws its recommendation of the Acquisition; (ii) at either party's election if (a) prior to the Long Stop Date, Triton Bidco invokes a Condition (with permission of the Panel); (b) a competing proposal becomes effective or is declared or becomes unconditional in all respects; (c) if the Acquisition is withdrawn, terminated or lapses, or if the Scheme does not become Effective by the Long Stop Date; and (iii) otherwise as agreed by Triton Bidco and Inmarsat.

Triton Bidco has agreed with Inmarsat in the Co-operation Agreement cash retention awards of up to a maximum of \$1.5m in aggregate for Inmarsat Group employees below executive management level whose retention is considered critical for the successful completion of the Acquisition.

13. Structure of and Conditions to the Acquisition

It is intended that the Acquisition will be implemented by means of a court-sanctioned scheme of arrangement between Inmarsat and the Inmarsat shareholders under Part 26 of the Companies Act.

The Scheme Document will be posted to Inmarsat Shareholders as soon as reasonably practicable, and in any event within 28 days of the date of this Announcement (unless the Panel consents to a later date). The Court Meeting and the General Meeting are expected to be held prior to 31 May 2019.

The purpose of the Scheme is to provide for Triton Bidco to become the owner of the entire issued and to be issued share capital of Inmarsat. This is to be achieved by the transfer of the Scheme Shares to Triton Bidco, in consideration for which the Scheme Shareholders will receive the Cash Consideration in respect of their Scheme Shares.

The Scheme requires approval by Scheme Shareholders by the passing of a resolution at the Court Meeting. This resolution must be approved by a majority in number of the holders of Scheme Shares present and voting, either in person or by proxy, representing not less than 75 per cent. in value of the Scheme Shares held by such holders. In addition, a resolution to deal with certain ancillary matters (including the amendment of Inmarsat's articles of association referred to in paragraph 10 above) must be passed at the Inmarsat General Meeting to be held immediately after the Court Meeting.

The Scheme must also be sanctioned by the Court. Any Scheme Shareholder is entitled to attend the Scheme Court Hearing in person or through counsel to support or oppose the sanctioning of the Scheme. The Scheme will only become Effective upon delivery to the Registrar of Companies of a copy of the Court Order. The Scheme is expected to become effective during the fourth quarter of 2019.

The Scheme will also be subject to certain Conditions and certain further terms referred to in Appendix 1 of this Announcement and to be set out in the Scheme Document. The Conditions in Appendix 1 provide that the Acquisition will lapse if, amongst other things:

- the Court Meeting and Inmarsat General Meeting are not held on or before the 22nd day after the expected date of the meetings, which will be set out in the Scheme Document in due course (or such later date as may be agreed by Triton Bidco and Inmarsat (with the Panel's consent));
- the sanction of the Scheme by the Court does not take place on or before the 22nd day after the expected date of the Scheme Court Sanction Hearing (or such later date as may be agreed by Triton Bidco and Inmarsat (with the Panel's consent) and the Court may allow); or
- the Scheme does not become Effective by the Long Stop Date,

provided that these deadlines may be waived by Triton Bidco.

If the Scheme becomes Effective: (i) it will be binding on all Scheme Shareholders, whether or not they attended or voted at the Court Meeting and the Inmarsat General Meeting and, if they attended and voted, whether or not they voted in favour of or against the resolutions proposed at those meetings; and (ii) share certificates in respect of Inmarsat Shares will cease to be valid and entitlements to Inmarsat Shares held within the CREST system will be cancelled.

The terms of the Scheme will provide that the Scheme Shares will be acquired under the Scheme fully paid and free from all liens, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights or interests of any nature whatsoever and together with all rights attaching thereto, including the right to receive and retain all dividends and other distributions and returns of capital declared, paid or made with a record date on or after the date of this Announcement (other than the Final Dividend).

Right to switch to a Takeover Offer

Triton Bidco reserves the right, subject to the prior consent of the Panel and the terms of the Co-operation Agreement, to elect to implement the Acquisition by way of a Takeover Offer.

In such event, such Takeover Offer will (unless otherwise consented to by Inmarsat or required by the Panel) be implemented on the same terms and conditions (subject to appropriate amendments as described in Part 2 of Appendix 1 to this Announcement, which includes an acceptance condition set at 75 per cent. of the Inmarsat Shares to which the Takeover Offer relates (or such lesser percentage, being more than 50 per cent., as Triton Bidco may decide, of the voting rights then exercisable at a general meeting of Inmarsat) as those which would apply to the Scheme. Furthermore, if such Acquisition is made and sufficient acceptances of such Acquisition are received, when aggregated with Inmarsat Shares otherwise acquired by Triton Bidco, it is the intention of Triton Bidco to apply the provisions of section 979 of the Companies Act to acquire compulsorily any outstanding Inmarsat Shares to which such Takeover Offer relates.

14. De-listing and re-registration

Prior to the Scheme becoming effectively, applications will be made to the UK Listing Authority for the cancellation of the listing of the Inmarsat Shares on the Official List and to the London Stock Exchange for the cancellation of the admission to trading of Inmarsat Shares on the Main Market. It is expected that such de-listing and cancellation of admission to trading would take effect on or shortly after the Effective Date.

The last day of dealings in Inmarsat Shares on the main market of the London Stock Exchange is expected to be the date of the Scheme Court Hearing and no transfers will be registered after 6.00p.m. (London time) on that date.

On the Effective Date, share certificates in respect of Inmarsat Shares will cease to be valid and should be destroyed. In addition, entitlements to Inmarsat Shares held within CREST system will be disabled.

Triton Bidco intends, as soon as reasonably practicable following the Effective Date, to re-register Inmarsat as a private company under the relevant provisions of the Companies Act.

15. Dividends

In accordance with the terms of the Inmarsat Scrip Dividend Scheme, a committee of the Inmarsat Board has resolved that the Inmarsat Scrip Dividend shall be suspended indefinitely and with effect from the date of this Announcement, including in relation to the Final Dividend. Formal written notice of the suspension, as required by the Inmarsat Scrip Dividend Scheme, will be sent to Inmarsat Shareholders in due course. Accordingly, any Inmarsat Shareholders who had elected to participate in the Inmarsat Scrip Dividend Scheme shall receive cash rather than Inmarsat Shares in respect of the Final Dividend and any other dividends.

Under the terms of the Acquisition, Triton Bidco has agreed that Inmarsat Shareholders will be entitled to receive the Final Dividend without any consequential reduction in the Cash Consideration payable by Triton Bidco in respect of each Inmarsat Share under the Acquisition.

Save for the Final Dividend, if any dividend and/or other distribution and/or other return of capital is proposed, announced, authorised, declared, made, paid or becomes payable by Inmarsat in respect of Inmarsat Shares on or after the date of this Announcement and before the Scheme becomes Effective, Triton Bidco reserves the

right to reduce the Cash Consideration by an amount equal to the aggregate amount of such dividend and/or other distribution and/or other return of capital, as applicable, in which case the relevant eligible Inmarsat Shareholders will be entitled to receive and retain such dividend and/or distribution. If such dividend, other distribution and/or other return of capital is denominated in any currency other than US dollars, it shall for the purposes of determining the relevant reduction be converted to US dollars using such exchange rate as Triton Bidco shall determine, acting reasonably.

If any such dividend, other distribution or other return of capital is paid or made by Inmarsat after the date of this Announcement and Triton Bidco exercises its rights described above, any reference in this Announcement to the Cash Consideration payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. Any exercise by Triton Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.

16. Disclosure of interests in Inmarsat Shares

As at close of business on 22 March 2019 (being the Business Day prior to the date of this Announcement), save in respect of the irrevocable undertakings referred to in paragraph 6 and the disclosure in this paragraph 16 in respect of the positions under the CPPIB ISDA, none of Triton Bidco, the Consortium or any of their directors, or, so far as Triton Bidco or the Consortium are aware, any person acting in concert (within the meaning of the Code) with it had: (i) any interest in or right to subscribe for any relevant Inmarsat Shares or securities convertible or exchangeable into Inmarsat Shares; nor (ii) any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, Inmarsat Shares or securities convertible or exchangeable into Inmarsat Shares; (iii) any dealing arrangement of the kind referred to in Note 11 of the definition of acting in concert in the Code, in relation to Inmarsat Shares or in relation to any securities convertible or exchangeable into Inmarsat Shares; nor (iv) borrowed or lent any relevant Inmarsat Shares (including for these purposes, any financial collateral arrangements of the kind referred to in Note 4 of Rule 4.6 of the Code), save for any borrowed shares which had been either on-lent or sold.

Notes to US investors in Inmarsat

Inmarsat Shareholders in the United States should note that the Acquisition relates to the shares of an English company and is proposed to be made by means of a scheme of arrangement provided for under, and governed by, the law of England and Wales. Neither the proxy solicitation nor the tender offer rules under the US Securities Exchange Act of 1934, as amended, (the "US Exchange Act") will apply to the Scheme. Moreover the Scheme will be subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement (including, without limitation, with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments), which differ from the disclosure requirements of the US proxy solicitation rules and tender offer rules. However, if Triton Bidco were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer will be made in compliance with all applicable laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder and otherwise in accordance with the requirements of the Code. In addition to any such Takeover Offer, Triton Bidco, certain affiliated companies and the nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, shares in Inmarsat outside such Takeover Offer before or during the period in which such Takeover Offer would remain open for acceptance. Such purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. If such purchases or arrangements to purchase were to be made they would be made outside the United States and would comply with applicable law, including the US Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service of the UK Listing Authority and will be available on the LSE website at www.londonstockexchange.com.

Disclosure requirements

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

In accordance with the Code, normal United Kingdom market practice and Rule 14e-5(b) of the Exchange Act, each of UBS, Merrill Lynch and Barclays and their respective affiliates will continue to act as exempt principal trader in Inmarsat securities on the LSE. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Code will be reported to a Regulatory Information Service and will be available on the LSE website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

Part 2: Implementation by Way of Takeover Offer

1. Triton Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer (as defined in section 974 of the Companies Act), subject to the consent of the Panel and the terms of the Co-operation Agreement.
2. In such event, such offer will (unless otherwise consented to by Inmarsat or required by the Panel) be implemented on the same terms and conditions as those which would apply to the Scheme subject to appropriate amendments to reflect the change in method of effecting the Acquisition, which include (without limitation and subject to the consent of the Panel) an acceptance condition set at 75 per cent. of the Inmarsat Shares to which the Takeover Offer relates (or such lesser percentage, being more than 50 per cent., as Triton Bidco may decide (subject to the Panel's consent), of the voting rights then exercisable at a general meeting of Inmarsat, including, for this purpose, any such voting rights attaching to Inmarsat Shares that are unconditionally allotted or issued, and to any Treasury Shares which are unconditionally transferred out of treasury or sold by Inmarsat, before the Takeover Offer becomes or is declared unconditional as to acceptances, whether pursuant to the exercise of any outstanding subscription or conversion rights or otherwise).
3. In the event that the Acquisition is implemented by way of a Takeover Offer, the Inmarsat Shares acquired shall be acquired with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them (other than the Final Dividend).

Part 3: Certain further terms of the Acquisition

1. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
2. The Conditions contained in paragraphs 2(a), 2(b) and 3(a) to (v) (inclusive) of Part 1 of this Appendix 1, must be fulfilled, be determined by Triton Bidco to be or remain satisfied or (if capable of waiver) be waived by Triton Bidco by 11.59 p.m. on the date immediately preceding the Scheme Court Hearing, failing which the Scheme shall lapse or if the Acquisition is implemented by way of a Takeover Offer, no later than as permitted by the Panel.
3. To the extent permitted by law and subject to the requirements of the Panel, Triton Bidco reserves the right in its sole discretion to waive:
 - (a) the deadlines set out in the Conditions in paragraph 2 of Part 1 of this Appendix 1 for the timing of the Court Meeting, Inmarsat General Meeting and/or the Scheme Court Hearing. If any such deadline is not met, Triton Bidco shall make an Announcement by 8.00 am on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Inmarsat to extend the deadline in relation to the relevant Condition; and
 - (b) in whole or in part, all or any of the Conditions in paragraphs 1 and 3(a) to (v) (inclusive) of Part 1 of this Appendix 1.
4. Triton Bidco shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions contained in this Appendix 1 by a date earlier than the date specified above in the Condition contained in paragraph 1 of Part 1 of this Appendix 1 for the fulfilment thereof notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived (if capable of waiver), determined to be or remained satisfied or treated as fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
5. The Acquisition will lapse if the Scheme or Acquisition or any matter arising from or relating to the Acquisition becomes subject to a CMA Phase 2 Reference before the date of the Court Meeting.
6. If Triton Bidco is required by the Panel to make an offer or offers for any Inmarsat Shares under the provisions of Rule 9 of the Code, Triton Bidco may make such alterations to any of the above Conditions as are necessary to comply with the provisions of that Rule.
7. The Scheme and the Acquisition and any dispute or claim arising out of, or in connection with, them (whether contractual or non-contractual in nature) will be governed by English law and will be subject to the jurisdiction of the Courts of England. The Acquisition will be made on and subject to the Conditions and further terms set out in this Appendix 1 and to be set out in the Scheme Document. The Acquisition will be subject to the applicable requirements of the Code, the Panel, the LSE, the FCA and the UK Listing Authority.
8. The Scheme Shares will be acquired under the Scheme fully paid and free from all liens, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights or interests of any nature whatsoever and together with all rights attaching thereto, including the right to receive and retain all dividends and other distributions and returns of capital declared, paid or made with a record date on or after the date of this Announcement (other than the Final Dividend).

9. If any dividend and/or other distribution and/or other return of capital is proposed, authorised, announced, declared, made, paid or becomes payable by Inmarsat in respect of an Inmarsat Share on or after the date of this Announcement and with a record date on or before the Scheme Record Time, other than the Final Dividend, Triton Bidco will have the right (without prejudice to any right of Triton Bidco, with the consent of the Panel, to invoke Condition 3(s)(ii) above) to adjust the Cash Consideration accordingly by reference to the aggregate amount of the dividend and/or other distribution and/or other return of capital that has been declared, made, paid or is payable. If such dividend, other distribution and/or other return of capital is denominated in any currency other than US dollars, it shall for the purposes of determining the relevant reduction be converted to US dollars using such exchange rate as Triton Bidco shall determine, acting reasonably. If any such dividend or other distribution or other return of capital is paid or made after the date of this Announcement and Triton Bidco exercises its rights described above, any reference in this Announcement to the consideration payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. To the extent that any such dividend, other distribution, or other return of capital is declared, made or paid or is payable and is either (i) transferred pursuant to the Acquisition on a basis which entitles Triton Bidco to receive the dividend and/or other distribution and/or other return of capital and to retain it, or (ii) cancelled, the Cash Consideration will not be subject to change in accordance with this paragraph 9. Any exercise by Triton Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.
10. Under Rule 13.5 of the Code, Triton Bidco may not invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Triton Bidco in the context of the Acquisition. The Conditions contained in paragraphs 1, 2 and 3(e) of Part 1 of this Appendix 1 are not subject to this provision of the Code.
11. The availability of the Acquisition to persons not resident in the United Kingdom or the United States may be affected by the laws of relevant jurisdictions. Therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom and any Inmarsat Shareholders who are not resident in the United Kingdom will need to inform themselves about and observe any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
12. Unless otherwise determined by Triton Bidco or required by the Code and permitted by applicable law and regulations, the Acquisition is not being, and will not be, made, directly or indirectly, in, into or by the use of the mails of, or by any other means or instrumentality (including, but not limited to, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.

If prior to the Scheme becoming effective or, if the Acquisition is to be implemented as a Takeover Offer, rather than a Scheme, prior to such Takeover Offer becoming wholly unconditional, any person other than Triton Bidco or a person acting in concert with Triton Bidco announces a firm intention to make an offer to acquire Inmarsat (a "**Competing Offer**"), Lansdowne Partners is permitted to accept or vote in favour of such Competing Offer provided that such Competing Offer is: (i) at a price, or is in exchange for such number of shares (or other securities) that in the reasonable opinion of the Board of directors of Inmarsat having taken advice from its financial advisers, implies a value for each Inmarsat Share that exceeds the Cash Consideration available under the Offer by at least 5 per cent.; and (ii) Triton Bidco has not announced a firm intention to make a revised offer for an equivalent or improved consideration (in the reasonable opinion of Triton Bidco's financial advisers) to that available under such Competing Offer by 5pm on the tenth business day after the date of the announcement of the Competing Offer.
