RECOMMENDED CASH ACQUISITION

of

KCOM Group Public Limited Company (KCOM)

by

Humber Bidco Limited (Bidco)

**a wholly-owned indirect subsidiary of Universities Superannuation Scheme Limited (USSL)
(acting in its capacity as sole corporate trustee of Universities Superannuation Scheme (USS))
to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act
2006**

Summary

- The boards of Bidco and KCOM are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition by Bidco, a wholly-owned indirect subsidiary of USSL, of the entire issued and to be issued ordinary share capital of KCOM (the **Acquisition**). It is intended that the Acquisition will be implemented by means of a scheme of arrangement under Part 26 of the Companies Act (the **Scheme**).
- Under the terms of the Acquisition, KCOM Shareholders will be entitled to receive:
for each KCOM Share 97 pence in cash (the Acquisition Price)
- The Acquisition Price represents an attractive premium of approximately:
 - 33.8 per cent. to the Closing Price of 72.5 pence for each KCOM Share on the Last Practicable Date;
 - 36.1 per cent. to the volume-weighted average price of 71.2 pence for each KCOM Share for the one month period prior to the Last Practicable Date; and
 - 38.0 per cent. to the volume-weighted average price of 70.3 pence for each KCOM Share for the three month period prior to the Last Practicable Date.
- The Acquisition values the entire issued and to be issued ordinary share capital of KCOM at approximately £504 million.
- If any dividend or other distribution is authorised, declared, made or paid in respect of KCOM Shares on or after the date of this Announcement, Bidco reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend or other distribution for each KCOM Share, in which case eligible KCOM Shareholders will be entitled to receive and retain such dividend or other distribution.

KCOM recommendation

- The KCOM Directors, who have been so advised by Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the KCOM Directors, Rothschild & Co has taken into account the

commercial assessments of the KCOM Directors. Rothschild & Co is providing independent financial advice to the KCOM Directors for the purposes of Rule 3 of the Takeover Code.

- Accordingly, the KCOM Directors intend to recommend unanimously that KCOM Shareholders vote in favour of the Scheme at the Court Meeting, and in favour of the General Meeting Resolution to be proposed at the General Meeting, as the KCOM Directors who are interested in KCOM Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 317,016 KCOM Shares representing, in aggregate, approximately 0.06 per cent. of KCOM's issued ordinary share capital on the Last Practicable Date.

Irrevocable undertakings and letter of intent

- Bidco has also received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting, and in favour of the General Meeting Resolution to be proposed at the General Meeting, from Teleios Capital Partners and Invesco Asset Management in respect of 131,758,930 KCOM Shares representing, in aggregate, approximately 25.5 per cent. of KCOM's issued ordinary share capital on the Last Practicable Date.
- Bidco has also received a non-binding letter of intent from Majedie Asset Management to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution at the General Meeting in respect of 17,006,505 KCOM Shares representing approximately 3.3 per cent. of KCOM's issued ordinary share capital on the Last Practicable Date.
- Bidco has therefore received irrevocable undertakings and a letter of intent in respect of a total number of 149,082,451 KCOM Shares representing, in aggregate, approximately 28.9 per cent. of KCOM's issued ordinary share capital on the Last Practicable Date.
- Further details of these irrevocable undertakings and the letter of intent (and the circumstances in which the irrevocable undertakings will cease to be binding or otherwise fall away) are set out in Appendix 3.

The Board believes that the offer of 97p per share represents a compelling opportunity for shareholders to realise an attractive cash value in respect of their shares and recognises the quality of KCOM's businesses and the strength of their future prospects. For all these reasons, the Board unanimously recommends that shareholders accept the offer."

Commenting on the Acquisition, Mike Powell, Head of the Private Markets Group at USSIM, said:

"We believe that KCOM is a high-quality business that is well-placed to grow and thrive under private ownership and that is why we have made this compelling offer to shareholders at an attractive premium. With the right capital support and assistance, we believe that KCOM's management will be able to enhance the quality of its offering, delivering benefits for customers as well as sustainable, long-term returns. USSL's track record as a long-term and supportive shareholder with extensive experience in regulated sectors makes us an ideal partner for KCOM."

Additional information for US investors in KCOM

KCOM Shareholders in the United States should note that the Acquisition relates to the securities of a UK company and is proposed to be implemented pursuant to a scheme of arrangement provided for under English company law. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition will be subject to UK procedural and disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this Announcement and other documentation relating to the Acquisition has been or will have been prepared in accordance with International Financial Reporting Standards and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Bidco exercises its right, in the circumstances provided for in this Announcement, to implement the Acquisition by way of a Takeover Offer, such Takeover Offer will only be made in the United States if an exemption from the registration requirements of the US Securities Act is available.

None of the securities referred to in this Announcement have been approved or disapproved by the SEC, any state securities commission in the United States or any other US regulatory authority, nor have such authorities passed upon or determined the adequacy or accuracy of the information contained in this document. Any representation to the contrary is a criminal offence in the United States.

It may be difficult for US holders of KCOM Shares to enforce their rights and claims arising out of the US federal securities laws, since Bidco and KCOM are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US holders of KCOM Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. By their nature, these forward-looking statements involve known and unknown risks, uncertainties because they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this Announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be given that such expectations will prove to have been correct and persons reading this Announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. Neither Bidco nor KCOM, nor their respective members, directors, officers or employees, advisers or any person acting on their behalf, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.

FOR IMMEDIATE RELEASE

24 April 2019

**RECOMMENDED CASH ACQUISITION
of
KCOM Group Public Limited Company (KCOM)
by
Humber Bidco Limited (Bidco)**

a wholly-owned indirect subsidiary of USSL (acting in its capacity as sole corporate trustee of USS)

to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act 2006

1. Introduction

The boards of Bidco and KCOM are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition by Bidco, a wholly-owned indirect subsidiary of USSL, of the entire issued and to be issued ordinary share capital of KCOM (the **Acquisition**). It is intended that the Acquisition will be implemented by means of a scheme of arrangement under Part 26 of the Companies Act (the **Scheme**).

In light of this Announcement, the KCOM presentation currently scheduled for 26 April 2019 will not be taking place. The KCOM Board's consideration of KCOM's Strategy Review within the context of the Acquisition is provided later in this Announcement.

2. The Acquisition

Under the terms of the Acquisition, which shall be subject to the Conditions and further terms set out in Appendix 1 and to be set out in the Scheme Document, KCOM Shareholders who are on the register of members of KCOM at the Scheme Record Time will be entitled to receive:

for each KCOM Share 97 pence in cash

The Acquisition Price represents an attractive premium of approximately:

- (a) 33.8 per cent. to the Closing Price of 72.5 pence for each KCOM Share on the Last Practicable Date;

- (b) 36.1 per cent. to the volume-weighted average price of 71.2 pence for each KCOM Share for the one month period prior to the Last Practicable Date; and
- (c) 38.0 per cent. to the volume-weighted average price of 70.3 pence for each KCOM Share for the three month period prior to the Last Practicable Date.

The Acquisition values the entire issued and to be issued ordinary share capital of KCOM at approximately £504 million.

If any dividend or other distribution is authorised, declared, made or paid in respect of KCOM Shares on or after the date of this Announcement, Bidco reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend or other distribution for each KCOM Share, in which case eligible KCOM Shareholders will be entitled to receive and retain such dividend or other distribution.

It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting, will be published as soon as practicable and, in any event, within 28 days of this Announcement. It is further expected that the Scheme will become Effective in mid-2019.

3. Background to and reasons for the Acquisition

USSL is the corporate trustee of one of the largest private sector pension funds in the UK with assets under management of £64 billion as at 31 March 2018 and over 400,000 members across more than 350 universities and other higher education and associated institutions in the UK.

USSL, through its investment manager, USSIM, is a long-term owner of assets with a track record of investing in UK infrastructure and infrastructure-like businesses.

Bidco believes that the acquisition of KCOM represents an attractive opportunity to become the owner of a well-established business with a strong local heritage. Further, Bidco believes that it would be an ideal partner for KCOM to continue to develop its Hull & East Yorkshire (HEY) business and to review options for its National Network Services and Enterprise businesses.

The specific attractions of KCOM to USSL include:

- (a) HEY's ownership of its critical infrastructure and the significant investment made to-date in its fibre network to give Hull the highest level of fibre-to-the-premises penetration in the UK, well ahead of the UK Government's target of national rollout of fibre by 2033;
- (b) the opportunity for further capital investment to support new business strategies and new network buildout in and beyond the areas covered by the HEY business; and
- (c) long-term stable and predictable cash flows, stemming from the critical services that the HEY business provides its customers.

4. Recommendation

The KCOM Directors, who have been so advised by Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the KCOM Directors, Rothschild & Co has taken into account the commercial assessments of the KCOM Directors. Rothschild & Co is providing independent financial advice to the KCOM Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the KCOM Directors intend to recommend unanimously that KCOM Shareholders vote in favour of the Scheme at the Court Meeting, and in favour of the General Meeting Resolution to be proposed at the General Meeting, as the KCOM Directors who are interested in KCOM Shares have irrevocably undertaken to do in respect of their own beneficial holdings of KCOM Shares, as more fully described in paragraph 6 below and in Appendix 3.

5. Background to and reasons for the KCOM Directors' recommendation

Graham Sutherland joined the KCOM Board as Chief Executive Officer of KCOM on 15 October 2018.

On 20 November 2018, following Graham's initial review of the business, the KCOM Board published a trading update and a revised annual dividend commitment from six pence to three pence per share following weaker than expected trading performance in the year ended 31 March 2019.

In the interim statement of results for the six months ended 30 September 2018 released on 27 November 2018, KCOM announced an in-depth review of its businesses and strategy to identify how to create the best value for shareholders and improve its overall business performance (**Strategy Review**).

Whilst undertaking the Strategy Review, KCOM received an approach from USSIM, on behalf of USSL. Following a period of initial negotiations, KCOM agreed the principal terms of USSL's offer in early March 2019.

The results and recommendations of the Strategy Review have yet to be formally adopted by the KCOM Board. A high-level summary of the recommendations of the Strategy Review is as follows:

- (a) grow HEY through increasing its addressable market through the further roll-out of fibre across selected areas of East Yorkshire and the Humber;
- (b) transform the operating model of the Company, reducing costs through a simplified operational structure that removes both duplication and complexity;
- (c) grow the core business of connectivity and collaboration through sales focus, improved customer experience and the launch of new products and services; and
- (d) focus the cloud business within Enterprise on the corporate mid-market with services that leverage connectivity.

Whilst the KCOM Directors are confident of KCOM's ability to meet the required levels of capital expenditure for the further roll-out of fibre as detailed above, the investment to deliver future growth may need to be phased over time to balance KCOM's current balance sheet leverage and dividend payments with cash generation from operations.

After careful consideration of the Acquisition Price and the deliverability of the Acquisition, the KCOM Directors believe that USSL's offer represents compelling value given the balance of longer term opportunities and risks to the near term financial performance of the business following the implementation of the new strategy. The KCOM Directors also acknowledge the benefits of KCOM being a private company, including creating a favourable environment to effect its transformation and enabling it to obtain finance from private capital. The Acquisition allows KCOM Shareholders to crystallise in cash the value of their holdings at a premium of 33.8 per cent. to the Closing Price for each KCOM Share on the Last Practicable Date. The Board believes that the offer of 97 pence per share recognises the quality of KCOM's assets and capability, and the strength of its future prospects, as a well-established and well-invested business with a strong heritage in the Hull and East Yorkshire region.

Accordingly, the KCOM Directors intend to recommend unanimously the Acquisition to KCOM Shareholders as set out in paragraph 4 above.

6. Irrevocable undertakings and letter of intent

Bidco has received irrevocable undertakings from KCOM Directors who are interested in KCOM Shares to vote in favour of the Scheme at the Court Meeting, and in favour of the General Meeting Resolution to be proposed at the General Meeting, in respect of their own beneficial holdings of 317,016 KCOM Shares representing, in aggregate, approximately 0.06 per cent. of KCOM's issued ordinary share capital on the Last Practicable Date.

Bidco has also received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting, and in favour of the General Meeting Resolution to be proposed at the General Meeting, from Teleios Capital Partners and Invesco Asset Management in respect of a total of

131,758,930 KCOM Shares representing, in aggregate, approximately 25.5 per cent. of KCOM's issued ordinary share capital on the Last Practicable Date.

Bidco has also received a non-binding letter of intent from Majedie Asset Management to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution at the General Meeting in respect of 17,006,505 KCOM Shares representing approximately 3.3 per cent. of KCOM's issued ordinary share capital on the Last Practicable Date.

Bidco has therefore received irrevocable undertakings and a letter of intent in respect of a total number of 149,082,451 KCOM Shares representing, in aggregate, approximately 28.9 per cent. of KCOM's issued ordinary share capital on the Last Practicable Date.

Further details of these irrevocable undertakings and the letter of intent (and the circumstances in which the irrevocable undertakings will cease to be binding or otherwise fall away) are set out in Appendix 3.

7. Information on USSL, USSIM and Bidco

USS was established in 1974 and is the principal pensions scheme provided by more than 350 universities and other higher education and associated institutions in the UK. As at 31 March 2018, it had over 400,000 members and had assets under management of £64 billion.

USSL has appointed its wholly-owned subsidiary, USSIM, as the scheme's principal investment manager and adviser. USSIM's Private Markets Group comprised of 38 employees as at 31 March 2018 and has experience of investing around the world and in the UK across a wide range of private asset classes. As at 31 March 2018, it managed over £15 billion of private market assets, including investments in Heathrow Airports Holdings, L1 Renewables, Moto Hospitality, NATS and Thames Water.

Bidco is a wholly-owned indirect subsidiary of USSL (acting in its capacity as sole corporate trustee of USS), incorporated for the specific purpose of making the Acquisition.

8. Information on KCOM

KCOM, a leading provider of IT and communications solutions to consumers and businesses across the UK, is one of the UK's longest-established communications companies, helping customers get connected since 1904. Throughout the decades, KCOM has stayed at the forefront of technology and communications. KCOM is focussed on three markets:

- (a) Hull and East Yorkshire: KCOM provides voice and internet-based services to 140,000 consumers and businesses in the region;
- (b) Enterprise: KCOM serves large enterprise and public sector organisations that need complex technology solutions to serve customers better and adapt to an ever-changing competitive and regulatory environment; and
- (c) National Network Services: KCOM serves UK-based multi-site organisations that rely on connectivity as part of their business operations.

Further information is available at www.kcomplc.com.

9. Intentions of Bidco

Bidco believes that the acquisition of KCOM represents an attractive opportunity to become the owner of a well-established business with a strong local heritage. Bidco is confident in the overall prospects of KCOM's businesses and is excited about partnering with the KCOM management team to grow the value of the business in the long-term.

Prior to this Announcement, and consistent with market practice, Bidco has been granted access to certain KCOM information for the purposes of conducting a confirmatory due diligence exercise. Bidco has, however, not yet had access to sufficiently detailed information from KCOM management's Strategy Review (as described in paragraph 5 above) to formulate detailed plans or intentions regarding the impact of the Acquisition on KCOM and its businesses.

Following completion of the Acquisition, Bidco intends to work with KCOM's management team to undertake a detailed strategic evaluation of KCOM and its businesses, which will include an assessment of the work recently carried out under the KCOM management team's Strategy Review. The evaluation is expected to focus on:

- (a) assessing the KCOM operating model that KCOM's management team has been developing since the appointment of Graham Sutherland as Chief Executive with the objective of reducing costs through simplifying KCOM's operational structure;
- (b) reviewing the strategy of the HEY business, including the markets and customers served, its product and service offerings, pricing and the cost structure within the business including headcount and other costs;
- (c) identifying new opportunities for additional investment to drive profitable growth within the HEY business, in particular the potential to offer new services and meaningfully expand and accelerate the fibre network build-out and develop employee capabilities within the business;
- (d) initiatives to improve the existing performance of the National Network Services and Enterprise businesses including the level of alignment with the HEY business, the level of headcount and other costs, the allocation of shared costs and opportunities to take actions to enhance customer experience, accelerate growth and improve platform efficiency to enhance margins; and
- (e) reviewing strategic options for the National Network Services and Enterprise businesses, following the analysis in (d) above, including the potential for disposal of these businesses to a third party.

Bidco has not yet begun to carry out the detailed evaluation referred to above or made any decisions in relation to specific actions that may be taken as a result of this evaluation. This evaluation is expected to take up to six months and Bidco will seek to implement the resulting actions as soon as possible.

As part of its evaluation, as referred to above, Bidco will review the level of costs in the HEY, National Network Services and Enterprise businesses to ensure that the level of headcount, capabilities and cost structure are consistent with the strategy that will be decided upon for each part of the KCOM business. It is anticipated that material cost savings and efficiencies may be achievable reflecting KCOM management's ongoing review aimed at reducing costs, but these are unquantified at this stage. Once KCOM ceases to be a listed company, some central management, corporate and support functions, including PLC-related functions, may be reduced in scope, which is likely to require reduced headcount. Bidco has not yet had access to sufficient information to determine how many headcount changes could occur across the KCOM Group, or how any changes to the cost structure would be implemented. Any headcount changes, additional investments referred to in (c) above and business disposals referred to in (e) above could change the balance of the skills and functions of the remaining employees and management.

Bidco intends to safeguard the existing employment rights of the management and employees of KCOM in accordance with applicable law and does not envisage any material change in the conditions of employment of the management and employees of KCOM, other than the possible implementation of incentivisation arrangements for certain members of management as described below.

The non-executive directors of KCOM intend to resign as KCOM Directors with effect from completion of the Acquisition.

Bidco recognises the importance of the KCOM pension schemes to their members. Bidco confirms that it has no intention of changing members' pension rights under the schemes and that the current level of employer contributions under the schemes' existing funding arrangements will continue. Prior to this Announcement, Bidco engaged in an initial discussion with the chair of the trustees of KCOM's defined benefit pension schemes in relation to the upcoming triennial valuation process and the Acquisition. Following completion of the Acquisition, Bidco intends to continue such discussions with the trustees of KCOM's defined benefit pension schemes in respect of the triennial valuation, the Acquisition and the

funding position of the schemes. The KCOM defined benefit pension schemes are closed to new members and to future accrual.

Following the Scheme becoming Effective, Bidco intends to review the management incentive arrangements of KCOM. Bidco has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of KCOM's management team, but plans to put in place incentive arrangements for certain members of the KCOM management team following completion of the Acquisition.

Bidco intends to maintain KCOM's corporate headquarters and headquarters' functions in Hull. Bidco does not intend to change the locations of the places of business of the National Network Services and Enterprise businesses; however, these may be impacted by the review of strategic options for those businesses including any potential disposal of these businesses (as referenced in (e) above). Bidco has no intention to redeploy the fixed assets of KCOM. KCOM has no dedicated research and development function.

KCOM is currently listed on the Official List and, as set out in paragraph 14, an application will be made to the London Stock Exchange to cancel trading in KCOM Shares and de-list KCOM from the Official List, in each case to take effect on or shortly after the Effective Date.

10. KCOM LTIP

The Scheme will extend to any KCOM Shares unconditionally allotted, issued or transferred prior to the Scheme Record Time to satisfy the exercise of options granted under the KCOM LTIP.

Participants in the KCOM LTIP will receive a letter explaining the effects of the Acquisition on their options and the actions they may take in respect of their options.

The Scheme will not extend to KCOM Shares issued after the Scheme Record Time. However, it is proposed to amend KCOM's articles of association at the General Meeting to provide that, following completion of the Acquisition, any KCOM Shares issued to any person other than Bidco or its nominees after the Scheme Record Time (including in satisfaction of an option exercised under the KCOM LTIP) will be automatically transferred to Bidco in consideration for the payment by Bidco to such persons of an amount equal to the Acquisition Price for each KCOM Share so transferred.

11. Financing of the Acquisition

Bidco is providing the cash consideration payable to KCOM Shareholders pursuant to the terms of the Acquisition through a combination of equity financing to be provided by USSL and third party debt. The third party debt will be provided under a Senior Facilities Agreement provided by Lloyds Bank plc and National Westminster Bank plc.

Arma Partners and Gleacher Shacklock, as financial advisers to Bidco, are satisfied that sufficient cash resources are available to Bidco to enable it to satisfy in full the cash consideration payable to KCOM Shareholders under the terms of the Acquisition.

Further details of the financing of the Acquisition will be set out in the Scheme Document.

12. Offer-related arrangements

Confidentiality Agreement

USSIM and KCOM entered into a confidentiality agreement on 4 March 2019 (the **Confidentiality Agreement**) pursuant to which USSIM has undertaken to keep confidential information relating to KCOM and not to disclose it to third parties (other than permitted recipients) unless required by applicable law or regulation. These confidentiality obligations shall remain in force notwithstanding the completion or termination of discussions concerning the Acquisition between the parties.

USSIM has also agreed to customary standstill arrangements pursuant to which USSIM has agreed that, without the prior written consent of KCOM, for a period of 12 months from the date of the Confidentiality Agreement, USSIM and its connected persons (including USSL)

will not acquire KCOM Shares or any interest in any KCOM Shares. These restrictions fall away immediately following the making of this Announcement.

The Confidentiality Agreement also contains undertakings from USSIM to KCOM and from KCOM to USSIM that, for a period of 12 months from the date of the Confidentiality Agreement, neither party will solicit, employ or offer to employ officers, managers or senior employees of the other party.

Co-operation Agreement

Bidco and KCOM have entered into the Co-operation Agreement, which records the intention of Bidco and KCOM to implement the Acquisition by way of the Scheme. However, Bidco may with the consent of the Panel implement the Acquisition by way of a Takeover Offer if: (a) KCOM consents; (b) a third party announces a firm intention to make an offer for KCOM; or (c) the KCOM Directors withdraw, adversely qualify or adversely modify their unanimous and unconditional recommendation of the Acquisition.

Pursuant to the Co-operation Agreement, Bidco and KCOM have agreed to co-operate in relation to any clearances and/or approvals as may be required from any relevant regulatory authority in connection with the Acquisition.

The Co-operation Agreement will terminate (a) if agreed in writing between Bidco and KCOM; (b) if any condition to the Acquisition is or becomes incapable of satisfaction by the Long Stop Date (and Bidco serves notice of termination); (c) if a third party announces a firm intention to make an offer which is recommended by the KCOM Directors (and Bidco serves notice of termination); (d) if the KCOM Directors do not recommend, or withdraw, or adversely qualify or adversely modify the recommendation of, the Acquisition (and either party serves notice of termination); or (e) unless the parties otherwise agree, if the Effective Date has not occurred by the Long Stop Date and in certain other circumstances specified in the Co-operation Agreement.

13. Structure of and conditions to the Acquisition

It is intended that the Acquisition will be implemented by means of a Court-approved scheme of arrangement between KCOM and KCOM Scheme Shareholders under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued ordinary share capital of KCOM. This is to be achieved by the transfer of the KCOM Shares to Bidco, in consideration for which the KCOM Shareholders who are on the register of members at the Scheme Record Time will receive the Acquisition Price for each KCOM Share they hold.

Conditions to the Acquisition

The Scheme is subject to the Conditions and further terms set out in Appendix 1 and to be set out in the Scheme Document and will only become Effective if, among other things, the following events occur on or before the Long Stop Date or such later date as may be agreed in writing by Bidco and KCOM (with the Panel's consent and as the Court may approve (if such approval(s) are required)):

- (a) the approval of the Scheme by a majority in number of KCOM Scheme Shareholders, representing at least 75 per cent. in value of the KCOM Scheme Shares voted by those KCOM Scheme Shareholders present and voting, either in person or by proxy, at the Court Meeting;
- (b) the General Meeting Resolution being duly passed by KCOM Shareholders representing 75 per cent. or more of votes cast, whether in person or by proxy, at the General Meeting;
- (c) the approval of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to KCOM and Bidco);
- (d) the delivery of a copy of the Court Order to the Registrar of Companies; and

- (e) all other Conditions to the Scheme, as set out in Appendix 1, being satisfied or (where applicable) waived.

The Acquisition will lapse if:

- (a) the Court Meeting and the General Meeting are not held by the 22nd day after the expected date of such meetings as to be set out in the Scheme Document in due course (or such later date as may be agreed between Bidco and KCOM and, in the case of the Court Meeting, as the Court may allow);
- (b) the Court Hearing to approve the Scheme is not held by the 22nd day after the expected date of such hearing as to be set out in the Scheme Document (or such later date as may be agreed between Bidco and KCOM and as the Court may allow); or
- (c) the Scheme does not become Effective by the Long Stop Date,

provided however that the deadline for the Scheme to become Effective may be extended by agreement between KCOM and Bidco.

Upon the Scheme becoming Effective, it will be binding on all KCOM Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting. The cash consideration payable under the Scheme will be despatched to KCOM Scheme Shareholders by Bidco no later than 14 days after the Effective Date.

Upon the Scheme becoming Effective, the non-executive directors of KCOM will resign as KCOM Directors.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document. It is expected that the Scheme Document and the Forms of Proxy accompanying the Scheme Document will be published as soon as practicable and, in any event, within 28 days of this Announcement. The Scheme Document and Forms of Proxy will be made available to all KCOM Shareholders at no charge to them.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange and the FCA.

14. De-listing and re-registration

Prior to the Scheme becoming Effective, KCOM will make an application for the cancellation of the listing of KCOM Shares on the Official List and for the cancellation of trading of the KCOM Shares on the London Stock Exchange's main market for listed securities, in each case to take effect from or shortly after the Effective Date.

On the Effective Date, share certificates in respect of KCOM Shares will cease to be valid and entitlements to KCOM Shares held within the CREST system will be cancelled.

It is also proposed that, following the Effective Date and after its shares are de-listed, KCOM will be re-registered as a private limited company.

15. Dividends

If any dividend or other distribution is authorised, declared, made or paid in respect of KCOM Shares on or after the date of this Announcement, Bidco reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend or other distribution for each KCOM Share, in which case the eligible KCOM Shareholders will be entitled to receive and retain such dividend or other distribution.

16. Disclosure of interests in KCOM

As at the close of business on the Last Practicable Date, save for the irrevocable undertakings and the letter of intent referred to in paragraph 6 of this Announcement, none of Bidco or any of its directors or, so far as Bidco is aware, any person acting, or deemed to be acting, in concert with Bidco, had:

- (a) an interest in, or right to subscribe for, relevant securities of KCOM;

- (b) any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of KCOM;
- (c) procured an irrevocable commitment or letter of intent to accept the terms of the Acquisition in respect of relevant securities of KCOM; or
- (d) borrowed, lent or entered into any financial collateral arrangements or dealing arrangements in respect of any KCOM Shares.

In the interests of secrecy prior to this Announcement, Bidco has not made any enquiries in respect of the matters referred to in this paragraph of certain parties who may be deemed by the Panel to be acting in concert with Bidco for the purposes of the Acquisition. Enquiries of such parties will be made as soon as practicable following the date of this Announcement, and Bidco confirms that further disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Takeover Code will be made as soon as possible and in any event by no later than 12 noon on 9 May 2019.

17. General

Bidco reserves the right to elect, subject to the consent of the Panel and the terms of the Co-operation Agreement, to implement the Acquisition of the KCOM Shares by way of a Takeover Offer as an alternative to the Scheme. In such event, the Acquisition will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments for an acquisition being made by way of a Takeover Offer, including, unless the Panel agrees otherwise, an acceptance condition set at 75 per cent. of the shares to which such Takeover Offer relates or at such lower percentage as Bidco may, in accordance with the provisions of the Co-operation Agreement, decide provided that if it became or was declared unconditional in all respects, the Takeover Offer would result in Bidco holding KCOM Shares carrying greater than 50 per cent. of the voting rights in KCOM).

The Acquisition will be made subject to the Conditions and further terms set out in Appendix 1 and to be set out in the Scheme Document. The bases and sources of certain financial information contained in this Announcement are set out in Appendix 2. Details of the irrevocable undertakings and letter of intent given in relation to the Acquisition are set out in Appendix 3. Certain definitions and terms used in this Announcement are set out in Appendix 4.

Arma Partners, Gleacher Shacklock, Rothschild & Co, Peel Hunt and Investec have each given and not withdrawn their consent to the publication of this Announcement with the inclusion herein of the references to their names in the form and context in which they appear.

18. Documents available on website

Additional information for US investors in KCOM

KCOM Shareholders in the United States should note that the Acquisition relates to the securities of a UK company and is proposed to be implemented pursuant to a scheme of arrangement provided for under English company law. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition will be subject to UK procedural and disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this Announcement and other documentation relating to the Acquisition has been or will have been prepared in accordance with International Financial Reporting Standards and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Bidco exercises its right, in the circumstances provided for in this Announcement, to implement the Acquisition by way of a Takeover Offer, such Takeover Offer will only be made in the United States if an exemption from the registration requirements of the US Securities Act is available.

None of the securities referred to in this Announcement have been approved or disapproved by the SEC, any state securities commission in the United States or any other US regulatory authority, nor have such authorities passed upon or determined the adequacy or accuracy of the information contained in this document. Any representation to the contrary is a criminal offence in the United States.

It may be difficult for US holders of KCOM Shares to enforce their rights and claims arising out of the US federal securities laws, since Bidco and KCOM are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US holders of KCOM Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no

later than 3.30 pm on the 10th Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 pm on the 10th Business Day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

WAIVER AND INVOCATION OF THE CONDITIONS

1. The Scheme will not become Effective unless the Conditions have been fulfilled or (if capable of waiver) waived or, where appropriate, have been determined by Bidco and KCOM to be or remain to be satisfied by no later than the Long Stop Date.
2. Subject to the requirements of the Panel in accordance with the Takeover Code, Bidco reserves the right in its sole discretion (subject to the requirements of the Takeover Code and the Panel) to waive (if capable of waiver) in whole or in part, all or any of Conditions 3(b) to 3(k).
3. Under Rule 13.5(a) of the Takeover Code, Bidco may not invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. Conditions 2(a), 2(b), 2(c) and 2(d) and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to this provision of the Takeover Code.

PART 3

IMPLEMENTATION BY WAY OF TAKEOVER OFFER

Bidco reserves the right to elect, subject to the consent of the Panel and the terms of the Co-operation Agreement, to implement the Acquisition by way of a Takeover Offer. In such event, the Takeover Offer will be implemented on the same terms and conditions as those which would apply to the Scheme subject to appropriate amendments, including (without limitation) an acceptance condition set at 75 per cent. (or such other percentage (being more than 50 per cent.) as Bidco may decide) in nominal value of the shares to which such Takeover Offer relates and of the voting rights attaching to those shares.

PART 4

CERTAIN FURTHER TERMS OF THE ACQUISITION

1. The availability of the Acquisition to persons not resident in the UK may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the UK should inform themselves about, and observe, any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
2. If Bidco is required by the Panel to make an offer for KCOM Shares under the provisions of Rule 9 of the Takeover Code, Bidco may make such alterations to any of the above Conditions as are necessary to comply with the provisions of that Rule.
3. The KCOM Shares will be acquired by Bidco fully paid and free from all liens, charges, equities, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature whatsoever and together with all rights attaching to them as at the date of this Announcement or subsequently attaching or accruing to them including, without limitation, voting rights and the right to receive and retain, in full, all dividends and other distributions (if any), declared, made or paid, or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this Announcement and before the Effective Date.
4. If any dividend or other distribution is authorised, declared, made or paid in respect of the KCOM Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend or other distribution for each KCOM Share. If Bidco exercises this right or makes such reduction in respect of a dividend or other distribution that has not been paid, KCOM Shareholders will be entitled to receive and retain that dividend or other distribution.
5. The Acquisition will lapse and the Scheme will not become Effective if the Acquisition or any matter arising from or relating to it becomes subject to a CMA Phase 2 Reference before 11.59 p.m. on the date immediately preceding the date of the Court Meeting.
6. The Scheme will be governed by the laws of England and Wales and be subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Announcement and to be set out in the Scheme Document. The Acquisition will comply with the applicable requirements of the UK Listing Authority, the London Stock Exchange and the Court, as well as with the Takeover Code.

7. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
