Additional information for US investors

The Acquisition relates to shares of a UK company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules.

However, if Caesars and/or Caesars UK Bidco were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with all applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act. Such a takeover would be made in the United States by Caesars and/or Caesars UK Bidco (a wholly-owned subsidiary of Caesars) and no one else.

In accordance with normal United Kingdom practice, Caesars, Caesars UK Bidco or their nominees or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of William Hill outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes effective, lapses or is otherwise withdrawn. Forward Looking Statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco, or any member of the Caesars Group contain statements which are, or may be deemed to be, "forward looking statements". Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group or the Enlarged Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this announcement may relate to William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group or the Enlarged Group's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group's business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

None of William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco nor any member of the Caesars Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature involve, risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Enlarged Group, there may be additional changes to the Enlarged Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco and each member of the Caesars Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or estimate for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for Caesars or William Hill, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Caesars or William Hill, as appropriate.

A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they shall be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

RECOMMENDED CASH ACQUISITION

of

William Hill PLC ("William Hill")

by

Caesars UK Holdings Limited ("Caesars UK Bidco")

**a wholly-owned subsidiary of
Caesars Entertainment, Inc. ("Caesars")**

1 Introduction

The boards of William Hill, Caesars and Caesars UK Bidco are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition pursuant to which Caesars UK Bidco shall acquire the entire issued and to be issued share capital of William Hill (the "**Acquisition**"). The Acquisition is to be effected by means of a scheme of arrangement under Part 26 of the Companies Act.

2 The Acquisition

Under the terms of the Acquisition, which shall be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, William Hill Shareholders shall be entitled to receive:

for each William Hill Share **272 pence in cash**

The Acquisition values the entire issued and to be issued ordinary share capital of William Hill at approximately £2.9 billion and represents a premium of approximately:

- 57.6 per cent. to the Closing Price per William Hill Share of 172.55 pence on 1 September 2020 (being the last Business Day before Caesars' first approach to William Hill);
- 80.7 per cent. to the volume weighted average closing price per William Hill Share of 150.54 pence for the three months ended 24 September 2020 (being the last Business Day prior to the commencement of the offer period);
- 112.5 per cent. to the Placing price of 128 pence per William Hill Share on 17 June 2020; and
- 25.0 per cent. to the Closing Price per William Hill Share of 217.60 pence on 24 September 2020.

It is expected that the Scheme Document shall be published in due course, and that the Court Meeting and the General Meeting shall be in December 2020 and that the Scheme shall become effective in the second half of 2021.

3 Background to and reasons for the Acquisition

Caesars is one of the largest gaming-entertainment companies in the US and one of the world's most diversified gaming-entertainment providers. On 20 July 2020, the company completed its merger (the "**Merger**") with Eldorado Resorts, Inc. Caesars owns and operates 54 domestic properties in 16 states with approximately 64,000 slot machines, video lottery terminals and e-tables, 3,000 table games, 4 million square feet of gaming space, 47,000 hotel rooms, 1.9 million square feet of meeting space, 300 restaurant and bar outlets and two premier nightclubs. The company's resorts operate primarily under the Caesars, Harrah's, Horseshoe and Eldorado brand names.

Caesars believes that the sports betting and online gaming sector represents one of the largest areas of growth in the US gaming industry, with some analysts recently estimating a potential total addressable market size ranging up to US\$30-35 billion, reflecting the acceleration of gaming legislation at the state level, the increased adoption by consumers as gaming becomes more available and continued integration with national sports and media brands.

Caesars and William Hill currently operate a US joint venture with 20% and 80% equity ownership respectively. Through this joint venture, William Hill runs online sports betting operations through Caesars' market access in each state and retail sports betting operations in Caesars' properties as well as those of other casino operators around the United States. Following completion of the Merger, Caesars and William Hill have been working together to roll out sports betting operations to the additional Caesars properties available to the joint venture.

Caesars believes that the current joint venture structure between Caesars and William Hill in the US needs to be broadened in scope in order to fully maximise the opportunity in the sports betting and gaming sector and provide the best possible customer experience.

Caesars believes that a combination of Caesars and William Hill represents a compelling opportunity to improve the offering and experience for the customer:

- The combined company would be able to utilise the expertise and assets contained in both companies to better serve customers in the highly competitive online gaming and sports betting space throughout the US. The combined company's market access across the US would be increased and would benefit from a broad network of sports books locations.
- The combined company would provide a more unified customer experience by consolidating applications and wallets, and by allowing a more focused branding experience.
- The combined company would have a world class portfolio of assets and brands, including William Hill's sports betting expertise, as well as its established technology program and roadmap (including its highly regarded scalable and secure Liberty Technology platform).
- The combined company will also be afforded the ability to access Caesars' extensive and pre-existing relationships with dozens of sports teams and events including being the Exclusive Casino Sponsor of the NFL.
- Caesars believes that it is important to align with media companies to enhance customer acquisition and generate excitement and loyalty across multiple products. Currently Caesars has a multi-year relationship with ESPN and William Hill has a relationship with CBS Sports. It is Caesars' intent to pursue a more integrated arrangement with a media company (including with appropriate online partners for its US business) to further align interests and create an enhanced customer offering. Caesars believes the combination with William Hill will improve its attractiveness as a potential partner for such media companies.
- Finally, as part of the combined company William Hill would be afforded new and complete access to Caesars' brand and highly regarded loyalty program (which had approximately 60 million members at the end of 2019), which it currently does not have. We believe this synergistic relationship will benefit all customers with integrated benefits across various elements of gaming and entertainment, allowing customers to earn tier status and Caesars Rewards that can be used at all of Caesars' land-based and online properties, helping to improve customer experience, reducing churn and increasing customer wallet share.

Together with iGaming, which is currently outside the scope of the joint venture, Caesars expects that the enlarged sports and online gaming business in the US could generate between US\$600-US\$700 million in net revenue in FY2021 (on a pro-forma basis).

Caesars' strategic focus remains on the opportunities immediately evident in the US market at this stage. It believes in the compelling proposition that William Hill's presence in the UK and other non-US international markets offers to their gaming customers in those markets and believes those businesses have a strong future. In order to best maximise those propositions and support those businesses' long term ambitions following completion of the acquisition of William Hill, Caesars' intention is to seek suitable partners or owners who have aligned objectives and approaches and who will be focussed on the longer term ambitions of those businesses and for the benefit of its customers.

4 Recommendations

The William Hill Directors, who have been so advised by Barclays, Citigroup and PJT Partners as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the William Hill Directors, Barclays, Citigroup and PJT Partners have taken into account the commercial assessments of the William Hill Directors. Barclays is providing independent financial advice to the William Hill Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the William Hill Directors intend to recommend unanimously and unconditionally that William Hill Shareholders vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the General Meeting as the William Hill Directors have irrevocably undertaken to do in respect of their own beneficial holdings of 2,104,248 William Hill Shares representing, in aggregate, approximately 0.200 per cent. of the share capital of William Hill in issue on 29 September 2020 (being the latest practicable date prior to this announcement).

Further details of these irrevocable undertakings are set out in Appendix III to this announcement.

5 Background to and reasons for the recommendation

The William Hill Board believes that the recommended offer of 272 pence per William Hill Share in cash appropriately reflects both:

- the significant progress the William Hill Group has made over the last 18 months together with its long term growth opportunities; and
- the risk and significant investment required to maximise the US opportunity given intense competition in the US and the possibility of regulatory disruption in the UK and Europe.

Under the revitalised senior leadership team, William Hill has delivered on important parts of its longer term growth strategy and is beginning to deliver on its potential. It has:

- improved the quality of its gaming front end and customer experience resulting in material improvement in NPS and customer satisfaction scores;
- taken decisive, early action to right size its UK retail exposure in the face of structural and regulatory headwinds;
- successfully launched its mobile offering in the US, and extended its customer reach through the CBS Sports and ESPN tie-ups;
- effectively protected the William Hill Group, its employees, and customers during the initial COVID-19 pandemic disruption and used that time to focus on product and experience allowing the group to emerge from the initial phase of that pandemic in a stronger competitive position; and
- significantly strengthened its balance sheet by completing the £224m Placing on 17 June 2020 at 128 pence per share.

The Placing enhanced William Hill's financial flexibility to pursue its growth ambitions in the fast-growing US sports betting market through its established joint venture with Caesars. However, the William Hill Board recognises that in pursuing those growth ambitions, significant marketing spend and multi-year investment would be required in the context of an intense competitive environment. It also recognises that in order to maximise the US opportunity, it will need to broaden the scope of its existing relationship with Caesars and consider, in due course, how best to secure for its shareholders the value created from its established US joint venture.

Following an unsolicited approach from Apollo Management International LLP, and an initial written proposal from Apollo Management International LLP on 27 August 2020, William Hill began discussions with a number of potentially interested parties. On 2 September 2020, William Hill received an initial written proposal from Caesars. Following this, William Hill held several rounds of negotiations with Caesars regarding the terms of a potential Acquisition, resulting in the Acquisition Price of 272 pence in cash for each William Hill Share.

After extensive discussions and negotiations, the William Hill Board concluded that Caesars' cash offer was superior to alternative strategies for realising value and other proposals received, and provides shareholders with a cash price today that fairly represents both the future opportunities and risks inherent in the business and delivery of its strategy.

In reaching the decision to recommend the offer, the William Hill Board has considered both the opportunities for long term growth and the risks inherent in William Hill's strategy. Most notably:

- whilst the joint venture with Caesars has successfully enabled William Hill to establish a leading position in the fast growing US market, in order for William Hill to fully maximise value for its shareholders the structure of that joint venture would need to evolve to allow for greater integration of assets being provided by both partners;
- the potential for regulatory disruption in its UK and European markets; and
- the potential for COVID-19 to have a longer term impact on sports schedules, retail operations and customer confidence.

In addition, the terms of the Acquisition represent a premium of:

- 57.3 per cent. to the closing price of 172.90 pence per William Hill Share on 27 August 2020 (being the Business Day on which Apollo Management International LLP's initial written proposal was received);
- 57.6 per cent. to the closing price of 172.55 pence per William Hill Share on 1 September 2020;
- 80.7 per cent. to the volume weighted average share price of 150.54 pence per William Hill Share for the three-month period ended 24 September 2020;
- 112.5 per cent. to the William Hill Placing share price of 128 pence per William Hill Share on 17 June 2020; and
- 25.0 per cent. to the closing price of 217.60 pence per William Hill Share on 24 September 2020.

The William Hill Board have taken into account the interests of all stakeholders in coming to their decision. In particular, the William Hill Board notes the high value Caesars places on William Hill's employees across the group and Caesars' commitment to maintain existing employee terms and conditions until 31 December 2022 and its current intention to seek suitable partners for William Hill's UK and International businesses who have aligned objectives and approaches and who will be focussed on the longer term ambitions of those businesses.

The Acquisition is subject to anti-trust and regulatory approvals and completion is expected to take place in the second half of 2021.

Accordingly, following careful consideration of the above factors, the William Hill Directors intend to unanimously and unconditionally recommend the Acquisition to the William Hill Shareholders.

7 Information on William Hill

William Hill was founded in 1934 as a postal and telephone betting service. After betting shops became legal in 1961, it acquired numerous businesses which became a major driver for the growth of the business over the next decades.

William Hill is now one of the world's leading betting and gambling companies which continually innovates to identify new and engaging ways to bet and game, whether in betting shops, sports books, online or mobile devices.

Within UK retail, William Hill operates 1,414 licensed betting offices (LBOs) nationwide. Following the outcome of the Triennial Review, in April 2019, new regulations came into force limiting machine stakes to a maximum of Â£2. As a result, William Hill took a proactive decision to remodel its estate and closed 713 shops in Q3 2019, and now has a robust and sustainable footprint with strong foundations for the future.

Within Online, William Hill has a strategy of delivering digital growth and international diversity, with the UK, which accounts for c. 61% of William Hill's Online revenues, being William Hill's largest market and a pillar for its Online strategy. Whilst growth in the UK has slowed over time as the market matured, Online and particularly mobile, remain the fastest growing segment in the UK gambling industry and William Hill has maintained its position against that backdrop. International markets, which currently account for 39% of William Hill's Online revenues, present significant opportunities for growth and greater economies of scale. William Hill has been licensed to deliver online betting and gaming in Italy and Spain since 2011 and 2012 respectively. William Hill's acquisition of Mr Green in January 2019, in line with its strategy to diversify internationally, significantly expanded its European footprint, and provided an established hub in Malta from which to continue to grow the international business.

Following the ruling in May 2018 by the US Supreme Court to overturn PASPA, states have begun to legalise and regulate sports betting, with William Hill being one of the first companies to capitalise on this opportunity. The US is expected to become the largest regulated market in the world supported by population, income levels and an ingrained sports culture where the pace of growth is driven, in part, by the pace of regulation. William Hill has operated sports books in the US, online and through its retail experience, since 2012, is live in 13 states and has access to 25 states (including the partnership with Caesars/Eldorado).

As sports betting legislation has continued to advance in a number of states across the US, investment by William Hill in technology and product developments, such as its new iGaming product, has accelerated. The Â£224m Placing during the coronavirus pandemic helped secure the near term funding to support William Hill's US expansion however significant capital is required to maintain and grow William Hill's business. Exclusive media partnerships, such as the recent agreement with CBS Sports, will deeply integrate William Hill's platform with media partners to broaden customer access and drive cost efficient customer acquisition.

Caesars is a key partner in the US by virtue of its recent merger with Eldorado, where William Hill is Caesars' exclusive sports book provider. Caesars has a 20% stake in William Hill's US business in return for providing market access and sharing all economics related to sports betting. Caesars' merger with Eldorado was welcomed by William Hill as the arrangement with Eldorado has carried forward to the Caesars' assets acquired and increased access to 14 states and 54 properties. Caesars' recently announced partnership with ESPN to feature sports betting apps and sportsbook odds also expands the marketing and distribution of William Hill's sportsbook products to a wider audience.

Under the terms of the US joint venture agreement with Caesars, Caesars has the right to add or substitute names to a limited list of potential acquirers of William Hill (with William Hill having a reciprocal right), whereby inclusion on this list would entitle Caesars to terminate the US joint venture agreement should William Hill be acquired by one of these parties. Caesars has given notice of its addition of Apollo Global Management, Inc and its affiliates ("**Apollo**") to this list with the effect that if Apollo subsequently acquires William Hill, Caesars would be entitled to terminate the US joint venture's mobile market access rights and rights to operate sports books at Caesars premises that are granted to it by Caesars.

The betting and gaming industry is extraordinarily dynamic and competitive and has undergone significant regulatory change globally over the past few years and a number of these changes (both positive and negative) have affected William Hill. The industry is currently going through a rapid phase of M&A activity, which William Hill has been part of through its recent disposal of its Australian subsidiary in 2018 and the acquisition of Mr. Green in 2019.

In 2020, the coronavirus pandemic has led to lockdown measures being introduced globally, with the UK announcing social distancing restrictions on 23 March. The coronavirus pandemic materially impacted William Hill's operations through the absence of live sport and forced closure of William Hill's UK and US retail estate.

Caesars' strategic plans for William Hill

Caesars believes that the William Hill business, and the brands it operates in both the UK and international markets - including through its partnership with Caesars in the US - is a leader in its sector with exciting growth and development prospects.

Caesars is excited to develop further its existing relationship with William Hill and partner with the William Hill management team to develop its offering and grow the value of the business, in particular to capitalise on the full set of opportunities presented in the US as the US gaming market goes through an unprecedented period of regulatory change, development and growth.

Caesars' strategic focus remains on the opportunities immediately evident in the US market at this stage. It believes in the compelling proposition that William Hill's presence in the UK and other non-US international markets offers to their gaming customers in those markets and believes those businesses have a strong future. In order to best maximise those propositions and support those businesses' long term ambitions, following completion of the Acquisition, Caesars' intention is to seek suitable partners or owners who have aligned objectives and approaches and who will be focussed on the longer term ambitions of those businesses and for the benefit of its customers.

Prior to this announcement, consistent with market practice, Caesars has been granted access to William Hill's senior management for the purposes of confirmatory due diligence. However, because of the constraints of the public offer process, Caesars has not yet had access to sufficiently detailed information to formulate detailed plans or intentions regarding the impact of the Acquisition on the William Hill Group other than its overarching intention to focus on the US market as outlined above.

Following the completion of the Acquisition, Caesars intends to integrate the whole of William Hill's US business into the Caesars Group with minimal, if any, impact on employee headcount.

Caesars intends to work with the existing management and employees of William Hill to seek alternative owners for the non-US businesses of William Hill. Prior to any disposals, Caesars intends to work with the existing management of these businesses to continue to operate these businesses in the ordinary course.

Employees and management

There are approximately 11,500 employees within the William Hill business, of which approximately 800 are employed in the US business, 8,000 are employed in the UK business, 230 are employed in the non-US international business and the remainder are employed in global centralised support roles.

Caesars attaches great importance to the skill and experience of William Hill's management and employees and recognises their important contribution to what has been achieved by William Hill.

Caesars places a high value on people and believes that retaining key staff within William Hill is of paramount importance, and has given assurances to the William Hill Board that, following completion of the Acquisition, the existing employment rights, including pension rights, of the management and employees of William Hill and its subsidiaries will be fully safeguarded in accordance with applicable law.

Caesars' plans for the William Hill Group do not involve any material change in overall headcount in the businesses, or conditions of employment of William Hill's employees.

Caesars is keenly aware of the impact that Covid-19 has had on William Hill's business, the challenges and risks that have arisen and the steps that William Hill has had to take to protect its business (including participating in the UK's furlough scheme, noting that William Hill has repaid the financial support that it received under that scheme). Caesars is supportive of William Hill taking appropriate measures (including the announced closure of a limited number of shops in response to the pandemic) to protect the business during these unprecedented times. The unknown duration and extent of the macro and micro economic consequences of the Covid-19 pandemic and the steps taken by the UK and other governments to address health risks remain a material risk. It should be noted that the current pandemic may impact William Hill and/or Caesars' view on near-term operational execution and decision-making, and therefore William Hill and/or Caesars may need to be agile to adapt to the impact of the pandemic.

As noted above, following completion of the Acquisition, it is Caesars' intention to find suitable partners or new owners for the non-US businesses of William Hill. Caesars has not undertaken any detailed preparatory work in connection with this proposed course of action that it intends to implement in the short term following completion of the Acquisition. Any such sales will change the balance of the skills and functions of the remaining employees and management of William Hill within the enlarged Caesars Group.

In addition, following the proposed delisting of William Hill Shares and re-registration of William Hill as a private limited company (as further described in paragraph 13 below), a number of corporate headquarters and support functions, including certain functions relating to William Hill's status as a public listed company, might no longer be needed. Caesars does not yet know whether any roles will no longer be needed and accordingly has not yet developed proposals in relation to any headcount reductions which may be decided upon in the future. However, any individuals impacted will be treated in a manner consistent with Caesars' high standards, culture and practices and the assurances given to the William Hill Board.

It is intended that, upon completion of the Acquisition, each of the non-executive members of the William Hill Board shall resign from their office as a director of William Hill.

The Acquisition is not expected to not have any impact on the existing business and employees of Caesars.

Incentivisation and Retention Arrangements

Caesars wishes to ensure strong business momentum through retention and to ensure that employees are fairly treated. Accordingly, Caesars has: (i) acknowledged that William Hill may implement certain employee retention arrangements for a number of key William Hill employees identified by William Hill; and (ii) agreed that Caesars will implement retention arrangements for William Hill's executive directors which are conditional on completion of the Acquisition.

As part of this, Mr Ulrik Bengtsson, Chief Executive Officer of William Hill, and Mr Matt Ashley, Chief Financial Officer of William Hill, will each be entitled to receive cash payments from Caesars totalling 200% of

their respective annual salaries, subject to completion of the Acquisition and William Hill ceasing to be listed on the London Stock Exchange. Subject to applicable leaver terms, each executive will be paid 100% of their annual basic salary following William Hill ceasing to be listed on the London Stock Exchange and a second payment of 100% of their annual basic salary on the earlier of completion of the sale of all or substantially all of William Hill's non-US business and six months following the Effective Date (the "**Executive Retention Arrangements**"). The total value of the Executive Retention Arrangements is £2,100,000.

As required by, and solely for the purposes of, Rule 16.2 of the Takeover Code, Barclays has (in its capacity as independent adviser to the William Hill Directors for the purposes of Rule 3 of the Takeover Code) reviewed the terms of the Executive Retention Arrangements and has confirmed that, in its opinion, the Executive Retention Arrangements set out above are fair and reasonable as far as William Hill's Shareholders are concerned. In providing this advice to the William Hill Directors, Barclays has taken into account the commercial assessments of the William Hill Directors.

Other than as set out above, Caesars has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of William Hill's management.

Pension schemes

William Hill has a defined benefit pension scheme, the William Hill Pension Scheme. At the William Hill Pension Scheme's last valuation (as at 30 September 2016), the William Hill Pension Scheme had a surplus of £1.5m against its liabilities valued on the ongoing funding (or "technical provisions") basis. The 30 September 2019 valuation is currently being discussed with the William Hill Pension Scheme trustee. Based on discussions to date, it is anticipated that the William Hill Pension Scheme will be assessed to have been in surplus on its technical provisions basis as at 30 September 2019 and also to have been above 90 per cent. funded on the "buy-out" basis (where the liabilities of a scheme are valued on the basis they will be secured via annuity policies issued by an insurance company) as at that date. The William Hill Pension Scheme is closed to new members and to future accrual. It is not intended that any changes shall be made to reopen this scheme to the admission of new members or to the future accrual of benefits. As at 30 September 2019, it had a total of 2,585 members, of which 232 were in-service deferred members, 636 were deferred members and 1,717 were pensioners.

Caesars has no plans to make any changes to the current funding arrangements and intends to make contributions to the William Hill Pension Scheme to the extent agreed with the trustees from time to time and in accordance with applicable law and intends to work constructively with the William Hill Pension Scheme trustees.

William Hill also operates two defined contribution plans in the UK. Caesars does not intend to make any changes to these plans and intends to make contributions to these plans in accordance with applicable law.

Locations of business, fixed assets and headquarters

Other than the disposal of the non-US businesses referred to above, Caesars has no plans to change the locations of business and fixed assets of William Hill beyond the ordinary course of business by the current management of William Hill (including any further shop closures if required in response to the pandemic). Caesars intends to retain William Hill's headquarters in the UK for such time as the UK business remains with the US and other international businesses.

Research and development

Caesars values the investment William Hill has made into technology and the infrastructure and employee knowhow that is in place to maintain, create and enhance the existing product. Caesars believes that it is important for the long term success of the business and for the enjoyment of the customer to maintain a competitive product and intends to invest in this area following completion of the Acquisition through the existing William Hill infrastructure.

Trading Facilities

William Hill is currently listed on the Official List and, as set out in paragraph 13 below, a request shall be made to the London Stock Exchange to cancel trading in William Hill Shares and de-list William Hill from the Official List and re-register it as a private company.

No statements in this paragraph 8 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

Views of the William Hill Board

In considering the recommendation of the Acquisition to William Hill Shareholders, the William Hill Directors have given due consideration to the assurances given to employees within the William Hill Group. The William Hill Board welcomes Caesars' intentions with respect to the future operations of the business and its employees, in particular, the intentions to observe the existing contractual and statutory employment rights of William Hill's employees and pension obligations.

9 William Hill Share Plans

Participants in the William Hill Share Plans shall be contacted regarding the effect of the Acquisition on their rights under the William Hill Share Plans and appropriate proposals shall be made to such participants in due course.

Further details of the terms of such proposals shall be included in the Scheme Document.

10 Financing

The Acquisition will be fully funded through a combination of Caesars' existing cash resources (including amounts drawn down under its revolving credit facilities) and the net proceeds of the equity raise of US\$1.7 billion which was announced on 28 September 2020 and priced on 29 September 2020 (and backstopped by an equity variable forward transaction entered into between Caesars and Deutsche Bank).

Deutsche Bank, financial adviser to Caesars and Caesars UK Bidco, is satisfied that sufficient resources are available to satisfy in full the cash consideration payable to William Hill Shareholders under the terms of the Acquisition.

In addition, Caesars has entered into binding commitment letters in relation to certain credit facilities to be provided in connection with the Acquisition with Deutsche Bank AG, London Branch and JPMorgan Chase Bank, N.A., including an interim facilities agreement which may be entered into by (amongst others) an affiliate of Caesars and certain lenders in connection with the Acquisition at a later date, following certain regulatory approvals being obtained in relation to such credit facilities. These credit facilities may be used to fund the Acquisition in lieu of certain of the sources of funds referred to above.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

11 Offer-related arrangements

Confidentiality Agreement

Caesars and William Hill entered into a confidentiality agreement dated 9 September 2020 (the "**Confidentiality Agreement**") pursuant to which each party has undertaken to (i) keep confidential information relating to, *inter alia*, the Acquisition and the other party and not to disclose it to third parties (other than to certain permitted parties) unless required by law or regulation; and (ii) use the confidential information only in connection with the Acquisition, in each case unless required by law or regulation.

These confidentiality obligations shall remain in force for a period of 24 months from the date of the Confidentiality Agreement.

The Confidentiality Agreement also includes customary non-solicitation obligations on each party.

Co-operation Agreement

Caesars and William Hill have entered into a Co-operation Agreement dated 30 September 2020, pursuant to which:

- (a) Caesars has agreed to secure the regulatory clearances and authorisations necessary to satisfy the Regulatory Conditions as promptly as possible; and
- (b) Caesars and William Hill have agreed to certain undertakings to co-operate in relation to such regulatory clearances and authorisations.

The Co-operation Agreement can be terminated, *inter alia*, if: (i) Caesars and William Hill so agree in writing; (ii) the Acquisition, with the permission of the Panel (where required), is withdrawn, terminated or lapses in accordance with its terms (other than in certain limited circumstances); (iii) the William Hill Board announces that it shall not convene the Court Meeting or the General Meeting or that it does not intend to publish the Scheme Document; (iv) the William Hill Board otherwise withdraws, adversely modifies or adversely qualifies the recommendation provided in this announcement; (v) a competing proposal is recommended by the William Hill Board or effected; (vi) any Condition is invoked by Caesars prior to the Long Stop Date (where such invocation has been permitted by the Panel); or (vii) unless otherwise agreed by the parties in writing or required by the Panel, if the Effective Date has not occurred by the Long Stop Date.

Pursuant to the Co-operation Agreement, Caesars has agreed to pay William Hill a break fee of Â£270 million if: (i) on or prior to the Long Stop Date, any Regulatory Condition shall not have been satisfied or waived by Caesars, resulting in the Acquisition lapsing, terminating or being withdrawn; (ii) on or prior to the Long Stop Date, Caesars invokes and is permitted by the Panel to invoke any Regulatory Condition resulting in the Acquisition lapsing, terminating or being withdrawn; or (iii) the Acquisition lapses or terminates in accordance with Rule 12 of the Takeover Code.

However, no break fee will be payable by Caesars if: (i) at the time of the relevant break fee event, the Co-operation Agreement has already been terminated, (ii) Caesars was not in material breach of certain provisions of the Co-operation Agreement and the relevant break fee event was caused by to a material extent by the failure of William Hill to comply with its obligations under certain provisions of the Co-operation Agreement; or (iii) prior to the time of the relevant break fee event, the William Hill Board withdraws, adversely modifies or adversely qualifies the recommendation provided in this announcement.

The Co-operation Agreement also records Caesars' and William Hill's intentions to implement the Acquisition by way of the Scheme, subject to Caesars and Caesars UK Bidco having the right to implement the Acquisition by way of a Takeover Offer in certain circumstances. Caesars has agreed that if, solely for logistical or practical reasons beyond William Hill's reasonable control, it is not reasonably practicable to convene the Court Meeting and/or General Meeting by 5 January 2021, it shall consent to an extension to such date until the next date upon which it is reasonably practicable to do so.

The Co-operation Agreement also contains provisions that shall apply in respect of the William Hill Share Plans and certain other arrangements regarding employment matters and employee incentives.

12 Structure of and Conditions to the Acquisition

It is intended that the Acquisition shall be effected by means of a Court-approved scheme of arrangement between William Hill and William Hill Shareholders under Part 26 of the Companies Act, although Caesars and Caesars UK Bidco reserve the right for Caesars to implement the Acquisition by means of a Takeover Offer (subject to Panel consent and the terms of the Co-Operation Agreement).

The purpose of the Scheme is to provide for Caesars UK Bidco to become the holder of the entire issued and to be issued share capital of William Hill. This is to be achieved by the transfer of the William Hill Shares (other than William Hill Shares held by Caesars or members of the Caesars Group) to Caesars UK Bidco, in consideration for which the William Hill Shareholders shall receive cash consideration on the basis set out in paragraph 2 of this announcement.

The Acquisition shall be subject to the Conditions and further terms set out below and in Appendix I to this announcement and to be set out in the Scheme Document and shall only become effective, if, among other things, the following events occur on or before the Long Stop Date or such later date as may be agreed by Caesars and/or Caesars UK Bidco and William Hill (with the Panel's consent and as the Court may approve (if such approval(s) are required)):

- (i) the approval of the Scheme by a majority in number of the William Hill Shareholders who are present and vote, whether in person or by proxy, at the Court Meeting and who represent 75 per cent. in value of the William Hill Shares voted by those William Hill Shareholders;
- (ii) the resolutions required to approve and implement the Scheme being duly passed by William Hill Shareholders representing the requisite majority or majorities of votes cast at the General Meeting (or any adjournment thereof);
- (iii) the approval of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to William Hill and Caesars and/or Caesars UK Bidco);
- (iv) the delivery of a copy of the Court Order to the Registrar of Companies; and
- (v) certain competition and regulatory approvals (including inter alia, anti-trust approvals in the US and Austria and relevant gaming regulatory consents and approvals in the UK, the US and certain other countries in which William Hill has licences).

The Scheme shall lapse if:

- ✘• the Court Meeting and the General Meeting are not held by 5 January 2021 (or such later date as may be agreed between Caesars and/or Caesars UK Bidco and William Hill);
- ✘• the Court Hearing is not held by the 22nd day after the expected date of such hearing to be set out in the Scheme Document in due course (or such later date as may be agreed between Caesars and/or Caesars UK Bidco and William Hill);
- ✘• the Scheme does not become effective by 31 December 2021,

provided, however, that the deadlines for the timing of the Court Meeting, the General Meeting and the Court Hearing as set out above may be waived by Caesars and/or Caesars UK Bidco, and the deadline for the Scheme to become effective may be extended by agreement between William Hill and Caesars and/or Caesars UK Bidco.

Subject to satisfaction (or waiver, where applicable) of the Conditions, the Scheme is expected to become effective during the second half of 2021.

Upon the Scheme becoming effective, it shall be binding on all William Hill Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting.

Further details of the Scheme, including an indicative timetable for its implementation, shall be set out in the Scheme Document which shall be published in due course.

Pursuant to the terms of an interim facilities agreement that may be entered into by (amongst others) an affiliate of Caesars and certain lenders (the "**Interim Lenders**") in connection with the Acquisition, any material term or condition relating to the Acquisition set out in this Announcement may not be amended where to do so would be materially prejudicial to the interests of the Interim lenders (taken as a whole) under the interim facilities agreement and related interim financing documentation, except where required or requested by the Panel or the Court or where necessary or desirable to comply with the requirements or requests of the Takeover Code, the Panel or the Court or any other applicable law, regulation or regulatory body.

13 De-listing and re-registration

Prior to the Scheme becoming effective, William Hill shall make an application for the cancellation of trading of the William Hill Shares on the London Stock Exchange's main market for listed securities and for the cancellation of the listing of William Hill Shares on the Official List, in each case to take effect on or shortly after the Effective Date. The last day of dealings in William Hill Shares on the Main Market of the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date and no transfers shall be registered after 6.00p.m. on that date.

On the Effective Date, share certificates in respect of William Hill Shares shall cease to be valid and entitlements to William Hill Shares held within the CREST system shall be cancelled.

It is also proposed that, following the Effective Date and after its shares are delisted, William Hill shall be re-registered as a private limited company.

14 Dividends

If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution or other return of value is declared, made or paid by William Hill, the Acquisition Price shall be reduced accordingly. In such circumstances, William Hill Shareholders would be entitled to retain any such dividend, distribution or other return of value declared, made or paid.

15 Disclosure of Interests in William Hill

Save in respect of the irrevocable undertakings referred to in paragraph 4 above and as disclosed below, as at the close of business on 29 September 2020 (being the last practicable date prior to the date of this announcement) none of Caesars, Caesars UK Bidco, or any of their directors, or, so far as Caesars and Caesars UK Bidco are aware, any person acting in concert (within the meaning of the Takeover Code) with Caesars or Caesars UK Bidco has neither (i) any interest in or right to subscribe for any relevant securities of William Hill; (ii) any short positions in respect of relevant William Hill Shares (whether conditional or absolute

and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; (iii) any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code, in relation to William Hill Shares or in relation to any securities convertible or exchangeable into William Hill Shares; nor (iv) borrowed or lent any relevant William Hill Shares (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed shares which had been either on-lent or sold:

Name	Nature of Interest	Number of William Hill Shares
Caesars Entertainment, Inc.	Ordinary Shares	13,430,434

'Interests in securities' for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person shall be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

16 General

Caesars and Caesars UK Bidco reserve the right to elect (with the consent of the Panel and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer for the William Hill Shares not already directly or indirectly owned by them as an alternative to the Scheme.

The Acquisition shall be made subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document. The bases and sources of certain financial information contained in this announcement are set out in Appendix II to this announcement. A summary of the irrevocable undertakings given in relation to the Acquisition is contained in Appendix III to this announcement. Certain terms used in this announcement are defined in Appendix IV to this announcement.

It is expected that the Scheme Document and the Forms of Proxy accompanying the Scheme Document shall be published in due course. The Scheme Document and Forms of Proxy shall be made available to all William Hill Shareholders at no charge to them.

Deutsche Bank, Barclays, Citigroup and PJT Partners have each given and not withdrawn their consent to the publication of this announcement with the inclusion herein of the references to their names in the form and context in which they appear.

Additional information for US investors

The Acquisition relates to shares of a UK company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules.

However, if Caesars and/or Caesars UK Bidco were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with all applicable United States laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a takeover would be made in the United States by Caesars and/or Caesars UK Bidco and no one else.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Caesars, Caesars UK Bidco or their nominees, or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of William Hill outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes effective, lapses or is otherwise withdrawn. Also, in accordance with Rule 14e-5(b) of the US Exchange Act, Deutsche Bank will continue to act as an exempt principal trader in William Hill Shares on the London Stock Exchange. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its William Hill Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes. Each William Hill Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

Financial information relating to William Hill included in this announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Forward Looking Statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group contain statements which are, or may be deemed to be, "forward looking statements". Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business

strategies and the environment in which William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco any member of the Caesars Group or the Enlarged Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this announcement may relate to William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group or the Enlarged Group's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group's business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

None of William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature involve, risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Enlarged Group, there may be additional changes to the Enlarged Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to William Hill, any member of the William Hill Group, Caesars, Caesars UK Bidco or any member of the Caesars Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

William Hill, each member of the William Hill Group, Caesars, Caesars UK Bidco and each member of the Caesars Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or estimate for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for Caesars or William Hill, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Caesars or William Hill, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they shall be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk/>, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Electronic communications

Please be aware that addresses, electronic addresses and certain information provided by William Hill Shareholders, persons with information rights and other relevant persons for the receipt of communications from William Hill may be provided to Caesars and Caesars UK Bidco during the offer period as requested under Section 4 of Appendix 4 of the Takeover Code to comply with Rule 2.11(c) of the Takeover Code.
