**About the Company:**

TEAM PLC wholly owns Theta Enhanced Asset Management Limited, trading as TEAM Asset Management (together, the "Group"). TEAM Asset Management is a Jersey based specialist, investment-led active fund manager currently providing discretionary and advisory portfolio management services to private clients, trusts and charities. The Group intends to target both professional and retail clients through its key discretionary and advisory investment management services and the Directors intend, through both organic growth and a buy-and-build strategy, for the Group to become an internationally recognised wealth and asset management group, driven by an investment process seeking to offer clients positive risk-adjusted returns over the long term.
