Statement re possible offer for CareTech Holdings PLC

DBAY Advisors Ltd ("DBAY") notes the announcement released on 1 April 2022 confirming that CareTech Holdings PLC ("CareTech") is in discussions with a consortium formed by Sheikh Holdings Group (Investments) Limited ("Sheikh Holdings") in relation to a possible offer at 725 pence per share, which the independent directors of CareTech would be minded to recommend should an offer be made.

DBAY is pleased to announce that on 1 April 2022 it submitted an indicative proposal to CareTech regarding a possible all cash offer for CareTech of 750 pence per CareTech share (the "Possible Offer").

The Possible Offer represents a premium of approximately:

- 28% to the CareTech closing share price on 4 March 2022 (being the last business day prior to the announcement of a possible offer for CareTech by Sheikh Holdings);
- 30% to the volume weighted average price of CareTech shares during the one month period to 4 March 2022;
- 32% to the volume weighted average price of CareTech shares during the three month period to 4 March 2022

The Possible Offer includes a partial non-voting share alternative to allow shareholders to roll-over some of their investment and retain an interest in CareTech's future should they choose to do so (the "Alternative Offer"). The Alternative Offer is limited to 30% of the issued capital.

DBAY looks forward to engaging constructively with CareTech and its management team and working towards the announcement of a recommended transaction.

DBAY confirms that funds managed and/or advised by DBAY or affiliates of DBAY have acquired 2,028,084 CareTech shares in total equivalent to approximately 1.8% of CareTech's issued share capital. The highest price paid was 710 pence per share. The shares were acquired in the open market. In accordance with Rule 6 of the Code, any firm offer for CareTech announced under Rule 2.7 of the Code will need to be at or above this price.

DBAY reserves the right to make an offer for CareTech on less favourable terms than the Possible Offer: (i) with the agreement or recommendation of the CareTech Board; (ii) if a third party announces a possible offer or a firm intention to make an offer for CareTech which, at that date, is of a value less than the value implied by the Possible Offer; or (iii) following the announcement by CareTech of a Rule 9 Waiver pursuant to the Code. DBAY reserves the right to introduce other forms of consideration and/or vary the mix or composition of consideration of any offer. DBAY reserves the right to adjust the terms of the Possible Offer to take account of the value of any dividend or other distribution which is announced, declared, made or paid by CareTech after the date of this announcement.
